*The Novel, Volume 1* Franco Moretti, 2006 Publisher Description      **The Cambridge History of African American Literature** Maryemma Graham, Jerry Washington Ward, 2011-02-03 A major new history of the literary traditions oral and print of African descended peoples in the United States      **Deliverance from Slavery** Dick Boer, 2015-10-14 Delivery from slavery these words taken from a Dutch labour movement song perfectly map onto the Bible's central concern They are also similar to the Torah's key phrase I am YHWH your God who brought you out of Egypt out of the house of bondage Ex 20 2 The words are invoked here to serve as an axiom to be introduced into the modern period The watchword delivery from slavery translates the biblical message of the exodus from slavery into the theory and practice of a modern liberation movement The present work argues that biblical theology is the attempt to update the language of the message It searches for a language that attends to the concerns of today's world while preserving the concerns that originally motivated biblical language      **America's Story as Told in Postage Stamps** Edward Monington Allen, 1930      Uncle Tom's Cabin as Visual Culture Jo-Ann Morgan, 2007 Examines the artwork of Hammatt Billings George Cruikshank Winslow Homer Eastman Johnson Henry Ossawa Tanner and Thomas Satterwhite Noble to show how as Uncle Tom's Cabin gained popularity visual strategies were used to coax the subversive potential of Stowe's work back within accepted boundaries that reinforced social hierarchies Provided by publisher      *Dad Made Dirty Movies* Jordan Todorov, Joe Blevins, 2020-10-05 Strippers zombies fugitives and jewel thieves These were just some of the characters who inhabited the weird wild films of director Stephen C Apostolof in the 1960s and 1970s But Apostolof's own life was every bit as improbable as the plots of his lurid movies Escaping the clutches of the communists in his native Bulgaria he came to America in 1952 and decided on a whim to reinvent himself as a Hollywood filmmaker right down to the cigars sunglasses and Cadillacs He produced a string of memorable sexploitation classics including the infamous *Orgy of the Dead* Along the way he married three times fathered five children and forged a personal and professional relationship with the notorious Ed Wood Jr Drawing on rare archival material and interviews with those who knew him best this first biography of Apostolof chronicles the life and career of a cult film legend      **Domination by Region 4** Ramesh Gampat, 2023-03-30 This book argues that Guyana presently operates a system of domestic colonialism DM DM builds on institutions established during imperial colonialism strengthened and expanded since independence in 1966 and regionalization which balkanized the country into ten administrative regions Regionalization is a flexible instrument that enables political and economic control with one strengthening the other further empowering Region 4 where the metropole is located and enhancing the dependency of the nine satellite regions Both political parties exploits regionalization when in power the PPP principally through financial strangulation and discrimination the PNC and its various incarnations via political control Regionalization is the symbol of domestic colonialism PPP I last six years of its previous regime 2009 to 2014 allocated an annual average of 11.1 percent of public funds to the regions the APNU AFC 14.1

percent from 2015 to 2020 and PPP II the current PPP administration 12.5 percent during its first two years in office. Over the fourteen years from 2009 to 2022, the four largest agencies consumed 42.5 percent of total Central Government expenditure. Under PPP I, these agencies spent 15 percentage points more on capital costs than they did under APNU AFC. However, under the latter government, they spent more than 10 percentage points on the amorphous category Other Charges. These anomalies are hard to explain because there were no functional enhancements or reach of coverage by these agencies. Incredibly, the Ministry of Finance (MoF), the largest agency for all but one year, spent 46.1 percent of what the Ministry of Public Works incurred on public infrastructure for the entire country. An important avenue of political patronage is the employment of contract and temporary workers who are hired outside of the public service legislative framework. These workers comprised half of the MoF's workforce over the fourteen-year period and the last six years of PPP I for the Ministry of Health; that figure is around 37.0 percent for both periods. Employment patronage rose during APNU AFC's term of office to 53.8 percent in the MoF and to 41.8 percent in the MoH. Employment patronage at these two big agencies was lower during PPP I than the six years of the APNU AFC Government. Patronage employment is considerably lower with the PPP II than all previous regimes. The strategic deviation is explained by the rise of three separate categories of low and unskilled workers who account for 48.5 percent and 57.7 percent of workforce of the MoF and the MoH respectively. These figures are more than 10 percentage points larger than those of all previous administrations. In effect, the PPP doles out patronage away from hiring outside of the public service legislative framework to hiring within it. Not only has the PPP legalized patronage, it has also increased it significantly.
