Sleeping Beauty And The Curse Of The Mummy S Tomb:

Sleeping Beauty and the Curse of the Mummy's Tomb James Dedman, 2014-11-20 Teddy in San Fran Jail Help Theodora Wilkes was never what polite society wanted her to be An over imaginative youth grown into the wildest of flappers it is more than her father and sister can handle On the other side of the ocean Hector Grant has emerged from the Great War a changed man Short on joy and hope with a family rich in title only it appears that his short life is already at an end All hope may not be lost however for it may be that in changing the fortune of someone more damaged than she Teddy may have found her true calling Perhaps true love s kiss really could break the curse Of course no one ever counted on the mummy

A Jack and Three Queens James Dedman, 2015-08-31 In the late 1850s tales of gold from the West beckon those whose life back East holds little promise In Missouri a poor girl from a trashy family looks to escape a life of misery while a dissatisfied donkey breeder seeks a friend In Indiana a beautiful but pampered princess seeks a life with purpose while a crippled former soldier desires only a place to call his own In Kansas a captured Indian girl longs for a savior while a mountain man is unaware of what he really desires It is only in the journey West that their dreams can come to fruition with the help of guts gold and a little donkey named Trot **Full House** James Dedman, 2016-10-26 Life has certainly changed for the Three Queens of McNee station Sarah Booth Susan Dickson and Little Duck had all just begun to settle down for their new lives in Colorado when trouble came rolling across the plains from the East Friends enemies and complete strangers arrived in sprawling wagon trains continuing to change the very dynamics of their lives However there is no greater catalyst than family and for Sarah in particular it is about to become a very Full House indeed The arrival of her father and her remaining sisters was bad enough but how could it compare to the scandal and corruption they brought along And what of Trot the enterprising little donkey who brought them all the way West Well for Old Ben at least his legacy begins and ends with the tale of a particularly wicked deer The Stolen Weekend James Dedman, 2015-04-29 I have seen war I would think

no one who saw the Western Front in the Great War would ever think that a preferable way to solve world problems George Grant thought his biggest problem was getting the love of his life to marry him Living in the American paradise of Hawaii and caring for his teenage daughter Amelia were his daily concerns punctuated only by what romantic trysts he was able to arrange When the opportunity arrives for a private weekend with just himself and his sweetheart Georgiana he gladly seizes it and things finally seem to be falling into place However George s paradise is about to be shattered It is December 7 1941 overlooking Pearl Harbor Just what is that out over the horizon **The Raid** James Dedman, 2015-09-22 Having escaped the hell that was the Pearl Harbor bombing and marrying the girl of his dreams George Grant is faced with a whole new set of problems as the nation races headlong into the second World War President Roosevelt has a plan and it isn t long before George is called upon to use all his skills as a aeronautical engineer Meanwhile his wife Georgiana has been summoned to Congress his son Robert to the new aircraft carrier Hornet and his new sister in law Laura to a mysterious government

agency All in all it appears that the Grant family s problems are only just beginning It s 1942 The War is beginning in earnest and the United States is about to risk everything on a grand symbolic gesture *The Bonnie Blue Ribbon* James Dedman,2015-09-25 I will tell you a truth I do not think the war will ever end The Cumberland Guard was a state militia filled with veterans of the war with Mexico When the opportunity for real combat arose they were swift to answer but no one could have foretold the consequences Experience the first days of our nation s greatest conflict through the eyes of Daphne Harrison her husband James Ronald Sean Fairchild and many others in the Cumberland Guard This book details several events alluded to in its companion book *A Woman of Consequence* *Gallant Deception* James Dedman,2015-09-28 There are those who would serve their country but the country doesn t want them In this second book of the Cumberland Guard follow the lesser told side of the Civil War its less than honest warriors After the split of the Guard the Eastern branch begins to gather some highly unusual recruits in Ameritus Hayes Lucky Lane Hickok and another Billie Crum Just what is going on here **Christmas Magic and The Wicked Witch of Michigan Avenue** James Dedman,2014-12-11 It s Christmastime in Chicago 1946 The Second Great War is over and Will Knight is looking forward to the holiday season But while his two brothers are happily married he remains a lonesome bachelor with less luck in love than old Ebenezer Scrooge His future prospects brighten considerably as an old crush becomes suddenly available but just as quickly his thoughts begin to turn in a new direction The woman they all call The Wicked Witch of Michigan Avenue Is it folly Is it sorcery Or could it be that Will s life is about to be changed by Christmas Magic *The Mummy in Fact, Fiction and Film* Susan D. Cowie,Tom Johnson,2007-08-09 In 1922 when Howard Carter and Lord Carnarvon discovered the tomb of Tutankhamen much of what was then known about mummies came from the writing of Greek historian Herodotus and from the paintings on the walls of Egyptian tombs Even before 1922 the mummy had been the subject of fiction with such writers as Bram Stoker and Sir Arthur Conan Doyle tackling the subject and early films dating back to 1901 In this work the authors present the religious social and scientific aspects of mummies as well as an in depth discussion of facts about them largely Egyptian but including other kinds of mummies Then how mummies are portrayed in fiction and in the movies is discussed Stories and films in which the mummy is a focal character are listed *Egyptian Gothic* Jay Sullivan,2025-07-13 The Egyptian Gothic consists of novels and short stories about ancient Egyptian mummies returning to life to seek retribution or romance as well as cursed object tales Now mostly forgotten from the 1880s through to the 1920s it was more popular than the vampire genre This book is the first to examine the genre by using the frequent sensory descriptions within these texts to interrogate attitudes towards Empire Its aims are twofold Firstly it demonstrates that despite their status as disposable popular fiction these texts are rich in sensory discourses that have thus far been unexamined Secondly reading these discourses of touch sight smell sound and taste reveals new and intriguing ways in which Egypt is allowed to strike back against the British Empire The book argues that the Egyptian Gothic does not support the domination of Empire but instead presents a power dynamic in flux with the

mummy fighting back against Western occupation Egypt and its artefacts evoke simultaneous feelings of fear and desire where those who meddle by invading tombs or stealing mummies are destroyed by Egyptian revenants
