DO NOT attempt to prepare for your exam with previous editions of our TPM if the 10th Edition is required.

The 10th Edition Test Preparation Manual is a reading comprehension test and consists of five chapters describing information needed to prepare for this test. Candidates study this Manual for 3 to 6 weeks and then take a multiple-choice test measuring their retention of the material in the Manual. The reading comprehension test questions come directly from this Manual. Purchase of the 10th Edition TPM is strongly advised!

TPM PRACTICE TEST (Optional):

The TPM Practice Test contains 50 questions that are similar to those in the actual TPM Test. The Practice Test consists of several questions from each of the five chapters covered in the TPM.
