Some Enchanted Noir:

An Enchanted Valley Edward Harper, 2005-03 An Enchanted Valley is a wonderfully vivid trip through rural France with author Edward Harper and his cultural historian lover as they search for peace tranquility and beauty We had been in the village for six years now The house was finished We knew every nook and cranny of the area within a twenty mile radius The ebb and flow of the village had become a part of our lives each summer The ten year old daughter of the lascivious school teacher had bloomed into a voluptuous teenager whose boyfriends roared into the village on scooters Maurin s little dog no longer appeared on our doorsteps as his house stood shuttered and empty the center of a vicious fight over the inheritance But much remained the same Every year the chatelain celebrated his birthday with a picnic and barbecue on the edges of his exotic forest An immense pig was roasted over a pit and more than a hundred people attended a mixture of his military comrades including the retired colonel of the regiment and some aging but still menacing looking paratroopers in their red berets Gallons of Burdic in unmarked bottles chilled in ice filled barrels stood next to tables with great washtubs of salad and gardianne the superb spiced stew of the region *Dante Club and the Problem with Jane* T. T. Thomas, 2023-12-15 It s a bit late for Dante Club to be wondering Was it wise to accept an AI bodyguard from his ex lover Almost nobody knows that Dante Club a highly sought after intelligence agency consultant secretly moonlights as a reluctant assassin Fueled by grief and a thirst for revenge Dante takes on a contract to eliminate the man he believes is responsible for the death of his sister and niece But his bodyguard Jane el Hammadi is in serious need of an attitude adjustment and he sends Jane back to the brilliant Dr Celia Fang for a much needed alignment And then things get awkward Fate and the NSA intervene giving Dante and his investigative team the cohesion they need for an assignment that takes them into the complex matrix of international organized crime Humanity collides with homicide on the dark enigmatic streets of Los Angeles where the line between morality and immorality is as thin and sharp as a fresh razor in a pile of cocaine And then the stars come out in Hollywood
