Vacant A Mindspace Investigations Novel:

Vacant Alex Hughes,2014-12-02 Nothing ruins a romantic evening like a brawl with lowlifes especially when one of them later turns up dead and my date Detective Isabella Cherabino is the 1 suspect My history with the Atlanta PD on both sides of the law makes me an unreliable witness so while Cherabino is suspended I m paying my bills by taking an FBI gig I ve been hired to play telepathic bodyguard for Tommy the ten year old son of a superior court judge in Savannah presiding over the murder trial of a mob connected mogul After an attempt on the kid s life the Feds believe he s been targeted by the businessman s associates Turns out Tommy s a nascent telepath so I m trying to help him get a handle on his Ability But it doesn t take a mind reader to see that there s something going on with this kid s parents that s stressing him out more than a death threat

Sharp Alex Hughes,2013-04-02 HISTORY HAS A WAY OF REPEATING ITSELF EVEN FOR TELEPATHS As a Level Eight telepath I am the best police interrogator in the department But I m not a cop I never will be and my only friend on the force Homicide Detective Isabella Cherabino is avoiding me because of a telepathic link I created by accident And I might not even be an interrogator for much longer Our boss says unless I pull out a miracle I ll be gone before Christmas I need this job damn it It s the only thing keeping me sane Parts for illegal Tech the same parts used to bring the world to its knees in the Tech Wars sixty years ago are being hijacked all over the city Plus Cherbino s longtime nemesis a cop killer has resurfaced with a vengeance If I can stay alive long enough I just might be able to prove my worth once and for all

Fluid Alex C. Hughes,2015-11-01 Good Cop Bad CopA prominent journalist has been found dead a journalist investigating police corruption I m supposed to be working in my new P I firm but the money s not enough so I m back consulting for the police as a telepath Turns out this case is a doozy the journalist was an addict even worse than I was before I cleaned up my act But he saved some kids from a sweatshop years ago and then there s this corruption thing he s been looking into which makes all the cops sweat The police s Powers That Be would really really like for the journalist s death be an accident the physical evidence even points in that direction In Mindspace however it s clearly murder With increasing pressure on myself and Detective Freeman to drop this case I ll have to fight my way through to find the killer And worse If it s one of the cops who did the killing I don t know if they ll get justice or I ll get paid

Payoff Alex Hughes,2013-03-05 Being a telepath I should have seen the hell I was getting myself into I used to be one of the most powerful telepaths in the guild That was before my drug addiction and before they kicked me out But I m not a bad guy Now I help the Atlanta PD solve murders And even though there are only a few people I call friends I d do most anything to keep their trust So when a judge asks me to help investigate a missing college kid I m down for it No questions asked No problem But in this dark world things are never easy and a favor is never just a favor Turns out politicians don t like being murder suspects And it s bad to anger someone with more power than you I thought I had nothing to lose I was wrong Includes a preview of Alex Hughes s Sharp

Rabbit Trick Alexandra Capell Hughes,2015-05-11 The first short story in the Mindspace Investigations universe featuring

telepathic detective Adam Ward PLUS two bonus short stories in other worlds OPEN MIND When the cops call me in the middle of the night I know it s bad One of their own is dead strangled in her car by a professional killer and it s up to me telepath consultant extraordinaire to pull the rabbit out of my hat and solve the case Only this time I m not so sure I can Homicide Detective Isabella Cherabino is breathing down my neck The dead cop s partner is too Here s the bad news Turns out the woman s five year old was in the car when she got murdered Here s the worst news No one can find that kid
