

## Guide to UGA Placement Tests

Students: Please note that you will have the opportunity to take three placement tests prior to or during orientation. The fee for each test is \$20. If you desire to take additional placement tests later, you may do so on your own at the University Testing Services in Clark Howell Hall. It is recommended that you call the Testing Services office to make an appointment to take placement tests at (706) 542-3183. Further information regarding University Testing Services may be found at:

<http://testing.uga.edu/>

All students who live within a 300 mile radius of UGA's campus are required/strongly encouraged to take placement exams during Pre-Orientation testing in May and June. Students should complete exams before coming for orientation.

### MATH

ALL STUDENTS SHOULD TAKE THE MATH PLACEMENT TEST!!

The only exception to this rule is the student whose AP credit or joint enrollment has already been received by UGA. If you have taken the Calculus AP exam, but UGA does not yet have your score, you should take the math placement test during orientation. Not taking it may mean that you will be blocked from registering for certain classes, such as Chemistry. Once your AP score arrives, we will grant credit based on whichever test has a higher score.

The UGA math placement test consists of 26 questions. A score of 12 correct will exempt MATH 1101 without credit; a score of 16 will exempt MATH 1113 without credit. Credit is not necessary for these classes to count in core. A student with a low score on the math placement test may be asked to take an algebra test to determine if either UNIV 1108 or 1110 are recommended.

### ENGLISH

Our policy is to encourage all students to take the English placement test.

1. Some students are required to take it based on their SAT Verbal score
2. If you are not required to take it (i.e., you are exempt from the requirement to take this test due to a SAT Verbal score of 590 or higher), we recommend that you take it anyway because you could earn 3 hours of credit for ENGL 1101. If you do not take the test because you are exempt from taking it, your first English class will be ENGL 1101. **PLEASE NOTE: BEING EXEMPT FROM TAKING THE ENGLISH PLACEMENT TEST DOES NOT MEAN YOU ARE EXEMPT FROM TAKING ENGL 1101.** Students may earn credit for ENGL 1101 from this test.
