Canadian Books in Print. Author and Title Index ,1975 **Children, Autonomy and the Courts** Aoife Daly,2017-12-18 In this book Aoife Daly argues that where courts decide children's best interests for example about parental contact the UN Convention on the Rights of the Child's right to be heard is insufficient and autonomy should instead be the focus Global law and practice indicate that children are regularly denied due process rights in their own best interest proceedings and find their wishes easily overridden It is argued that a children's autonomy principle respecting children's wishes unless significant harm would likely result would ensure greater support for children in proceedings and greater obligations on adults to engage in transparent decision making This book is a call for a reconceptualisation of the status of children in a key area of children's rights **Understanding the Music Business** Richard Weissman,2015-09-30 Understanding the Music Business offers students a current overview of the music business Going beyond what most music business texts offer Weismann delivers a contemporary approach that addresses the unanswered questions for today's music students such as Is it really possible to make a living as musician Understanding the Music Business covers the basics in the first part of the text This first section deals with the fundamentals of the industry including recording music publishing agents managers radio and television unions the internet and new technology and regional and international music markets However it is the second half of the text that breaks new ground by covering the career paths of new artists in the industry the development and need for entrepreneurial skills and the ways that individuals forge careers in the industry **Nancy**
