**Conversation Pieces Out of the Studio** Jeffrey Dreisbach, 2011-08 Come join this comprehensive workshop with actor teacher artist Jeffrey Dreisbach as he shows you the best methods, techniques and inside tips that can launch your professional voice over career. Whether you are new to this potentially lucrative performance art or an accomplished actor looking to broaden your skill set, this Master class will guide you every step of the way. From copy interpretation techniques and audition tools to choosing the right material for your demo, each chapter provides in-depth information in an upbeat, humorous and conversational style. Just as if you were in the studio taking Jeffrey's workshop in person. Actor, artist, teacher and author Jeffrey Dreisbach began his professional acting career at an early age in Michigan. He received a BFA Degree from Wayne State University after performing at Walt Disney World, Cal Arts and advanced theater training in London, England, Roger Williams College. For the next 20 years, Jeff found success acting in New York, accumulating theater, film and television credits. On Broadway, he was in the original cast of *A Few Good Men* and *A New York Summer*. He played Norman Van Buren on NBC's *Another World*, national tours of *Grease*, *Boys Next Door*, *Nurse Jane*, *Goes to Hawaii* and in numerous regional theater productions. Feature film roles include *Splash*, *Die Hard 3*, *Thomas Crown Affair*, *Monday Night Mayhem* among others. It was during this period Jeffrey performed in several national commercials and voice overs. Notable clients included KFC, Pepsi, Spidee Watch, Palmolive, HBO, etc. as well as animation voices for Mattel Toys and voice chip manufacturer Pragmatic Designs. A short time later, Jeffrey served as executive director of the nation's oldest and largest group broadcast training schools. He remained in this capacity for 12 years. As teacher and administrator, he developed unique voice over and on-camera presentation training techniques and course curriculums. Using his acting experience, technical and teaching skills, Jeffrey now incorporates his unique background and energetic personality at colleges, universities and professional training programs looking to enhance and broaden their performing arts programs. *Conversation Pieces out of the Studio* The voice over workshop for professional actors is his second book. *Conversation Pieces out of the Woods* his first book is a pictorial collection of tree branch and root furniture hand-crafted by Jeffrey. *My Mind Has A Mind Of Its Own* Gordon Rouston, 2005 Suffering from addictions, need HOPE this book is for you. Gordon's story is a powerful testimony of living through the HELL of addiction, losing all HOPE and finally finding recovery and long-lasting sobriety. A must-read people.

cannot put it down rave reviews      *The Art of Voice Acting* James Alburger, 2012-11-15 Are you just starting in Voiceover Do you have some experience but aren't getting booked Are you a working pro who wants to expand to new areas of VO work The Art of Voice Acting is a must read if you are serious about a profession in voice over and looking to maximize your efforts for success in the business Packed with basic acting techniques in The Art of Voice Acting you will discover All new scripts 20 more pages of new and updated information A completely new chapter of studio stories and tricks of the trade from professional voiceover talent around the world Updated information for voiceover demos and marketing A comprehensive index that makes it easy to find what you're looking for More voice and acting techniques Contributions from some of the top voice talent in the world Audio content with the actual audio for every script in the book <http://voiceacting.com/aovaextras> PLUS exercises demos and more Written in an accessible and engaging style Alburger shares his experience as a performer producer director and performance coach to give you a clear no nonsense introduction to the business and art of voice acting Audio content and images from the books are available at <http://voiceacting.com/aovaextras>      *Secrets of Voice-over Success* Joan Baker, 2005 For millennia shamans and philosophers believers and nonbelievers artists and scientists have tried to make sense of our existence by suggesting that everything is connected that a mysterious Oneness binds us to everything else People go to temples churches mosques and synagogues to pray to their divine incarnation of Oneness Following a surprisingly similar notion scientists have long asserted that under Nature's apparent complexity there is a simpler underlying reality In its modern incarnation this Theory of Everything would unite the physical laws governing very large bodies Einstein's theory of relativity and those governing tiny ones quantum mechanics into a single framework But despite the brave efforts of many powerful minds the Theory of Everything remains elusive It turns out that the universe is not elegant It is gloriously messy Overturning more than twenty five centuries of scientific thought award winning physicist Marcelo Gleiser argues that this quest for a Theory of Everything is fundamentally misguided and he explains the volcanic implications this ideological shift has for humankind All the evidence points to a scenario in which everything emerges from fundamental imperfections primordial asymmetries in matter and time cataclysmic accidents in Earth's early life and duplication errors in the genetic code Imbalance spurs creation Without asymmetries and imperfections the universe would be filled with nothing but smooth radiation A Tear at the Edge of Creation calls for nothing less than a new humancentrism to reflect our position in the universal order All life but intelligent life in particular is a rare and precious accident Our presence here has no meaning outside of itself but it does have meaning The unplanned complexity of humankind is all the more beautiful for its improbability It's time for science to let go of the old aesthetic that labels perfection beautiful and holds that beauty is truth It's time to look at the evidence without centuries of monotheistic baggage In this lucid down to earth narrative Gleiser walks us through the basic and cutting edge science that fueled his own transformation from unifier to doubter a fascinating scientific quest that led him to a new understanding of what it is to be human      **Videojournalism**
