Derrida John D. Caputo, 1997-09-22 The Prayer and Tears of Jacques Derrida takes its point of departure from Derrida's more recent sometimes autobiographical writings and closely examines the religious motifs that have emerged in his later works John D. Caputo's provocative interpretation of Derrida's thinking also makes an original contribution to the question of the relevance of deconstruction for religion Caputo's Derrida is a man of faith who bridges Jewish and Christian traditions The deep messianic apocalyptic and prophetic tones in Derrida's writings Caputo argues bespeak his broken covenant with Judaism Through its startling exploration of Derrida's impossible religion the book sheds light on the implications of deconstruction for an understanding of religion and faith today from back cover *Sufism and Deconstruction*, The Playwrighting Self of Bernard Shaw John Anthony Bertolini, 1991 Bertolini provides close subtle readings of six of Shaw's major plays Caesar and Cleopatra Man and Superman Major Barbara The Doctor's Dilemma Pygmalion and Saint Joan He also devotes a full chapter to the one act plays **Sunburned** Katherine Wood, 2025-07-01 St Barth's has a murder rate of zero But that's about to change Utterly delectable and addicting Sunburned is what happens when Agatha Christie meets a thoroughly modern sexy sensibility Ashley Winstead USA Today bestselling author of Midnight Is the Darkest Hour When Audrey Collet's ex Tyson calls threatening to expose the skeletons in her closet unless she helps him figure out who is blackmailing him she wants nothing more than to refuse Though their relationship ended over a decade ago the scars are deep And since his tech company made him a billionaire he's become more than a little eccentric and paranoid But a foot has washed ashore in the Everglades that's right an actual human foot encased in an Air Jordan and Tyson is quick to remind Audrey that it's one whose long dead owner they both have a connection to A connection that could prove problematic if it got out Audrey reluctantly agrees to meet Tyson at his home on the swanky Caribbean island of St Barth's to help him figure out who in his entourage is extorting him and what they know about the secrets he and Audrey share Once there she realizes that each person staying at Tyson's lavish estate has a reason to wish him harm Could the culprit be the gorgeous Belgian wife whose wings he's clipped The celebrity business partner he's essentially holding hostage The older brother who's always been in his shadow Or the sexy French butler he seems to trust more than he should Audrey has only just scratched the surface of what's going on behind closed doors when Tyson's birthday dive turns deadly and she realizes that one of the seven people trapped on his yacht with her is not just a blackmailer but a murderer If Audrey can't catch the killer in time she might become the next victim **Spinoza to the Letter** F. last work was *Le Corsaire* 1856 which reaches sublime heights However Adam was just as famous as a composer for the lyric stage With Boieldieu Halévy and Auber he forms one of the quartet of masters that represent the second school of that profoundly French genre of the opera comique The charming and elegant *Le Chalet* 1834 received over 1500 performances in Paris and the exuberant and adorable *Le Postillon de Lonjumeau* 1836 is still played on stages throughout the world This study considers this gentle unassuming composer's life and work examining his 42 operas and 14 ballets in the context of the vibrant musical scene in Paris during the decades 1820-1860
