workers and society in general      *Annual Report on the OECD Guidelines for Multinational Enterprises 2010 Corporate responsibility: Reinforcing a unique instrument* OECD,2010-11-16 This Annual Report provides an account of the actions taken by the 42 adhering governments over the 12 months to June 2010 to enhance the contribution of the OECD Guidelines for Multinational Enterprises to the improved functioning of the global economy      *The Going-Concern-Principle in Non-Financial Disclosure* Rosa Lombardi,2021-08-31 This book investigates the going concern principle in the non financial disclosure by companies in the international scenario proposing concepts and challenges to come Following the main accounting literature requirements and regulations this book proposes the current state of the art in the non financial disclosure collecting main mandatory and voluntary frameworks and standards e g European Directive 2014 95 UE on non financial information Global Reporting Initiative International Integrated Reporting Council Sustainability Accounting Standards Board Climate Disclosure Standard Board Carbon Disclosure Project AA1000 This is a useful proposition for the investigation of the presence versus absence of the going concern in the sustainability and non financial reports and disclosure by companies Through a qualitative methodology this book is intended to show the incidence of the going concern in the non financial disclosure and to what content and meaning it is referred Several issues and characteristics of information provided to stakeholders are drafted      ,      *Handbook of Sustainability-Driven Business Strategies in Practice* Markovic, Stefan,Sancha, Cristina,Lindgreen, Adam,2021-12-07 Sustainability is a top priority for organizations and a key strategy in corporate agendas but the effective deployment of any strategy demands that the strategy is consistent functional and aligned This Handbook advocates sustainability strategies that encompass environmental social and economic dimensions at department level      *Routledge Handbook of Risk Management and the Law* Virginia A. Suveiu,2022-12-14 In today s highly globalized and regulated economy private and public organizations face myriad complex laws and regulations A process designed to detect and prevent regulatory compliance failures is vital However such an effective process cannot succeed without development and maintenance of a strong compliance and legal risk management culture This wide ranging handbook pulls together work from experts across universities and industries around the world in a variety of key disciplines such as law management and business ethics It provides an all inclusive resource specifying what needs to be known and what needs to be further pursued in these developing areas With no such single text currently available the book fills a gap in our current understanding of legal risk management regulatory compliance and ethics offering the potential to advance research efforts and enhance our approaches to effective legal risk management practices Edited by an expert on legal risk management this book is an essential reference for students researchers and professionals with an interest in business law risk management strategic management and business ethics      **Governing the World?** Sophie Harman,David Williams,2013-06-07 Global governance has become a key concept in the contemporary study of international politics yet what the term means and how it works remains in question *Governing the World* Cases in Global Governance takes an

alternative approach to understanding the concept by exploring how global governance works in practice through a set of case studies on both classical issues of international relations such as security labour and trade and more contemporary concerns such as the environment international development and governing the internet The book explores the processes practice and politics of global governance by taking a broad look at issues of human rights governance and focusing on detailed aspects of a topic such as torture and rendition to help explain how governance does or does not work to students and researchers of international politics alike Bringing together a diverse and international group of scholars each chapter responds to a set of questions as to what is being governed how and who by and offers issue specific case studies and recommended reading to develop a full understanding of the issue explored and what it means for global governance

*Business Ethics and Continental Philosophy* Mollie Painter-Morland, René ten Bos, 2011-10-06 Business ethics has largely been written from the perspective of analytical philosophy with very little attention paid to the work of continental philosophers Yet although very few of these philosophers directly discuss business ethics it is clear that their ideas have interesting applications in this field This innovative textbook shows how the work of continental philosophers Deleuze and Guattari Foucault Levinas Bauman Derrida Levinas Nietzsche Zizek Jonas Sartre Heidegger Latour Nancy and Sloterdijk can provide fresh insights into a number of different issues in business ethics Topics covered include agency stakeholder theory organizational culture organizational justice moral decision making leadership whistle blowing corporate social responsibility globalization and sustainability The book includes a number of features designed to aid comprehension including a detailed glossary of key terms text boxes explaining key concepts and a wide range of examples from the world of business Global Governance of the Environment Afshin Akhtarkhavari, 2010-01-01 This timely book examines the role of environmental principles in changing international environmental law and politics and argues for the importance of integrating environmental principles in the global governance of the environment Afshin Akhtarkhavari includes both theoretical and jurisprudential analyses of the concept of environmental principles as well as detailed case studies to examine their function and role in courts and the differing approaches taken to soft law and regulation in international politics Global Governance of the Environment concludes with succinct and insightful considerations of the role of environmental principles in changing international law and politics This topical book will appeal to researchers academics and students of international environmental law and politics international relations as well as domestic environmental law *Ethics and Compliance Programs in Multinational Organizations* Katharina Wulf, 2012-02-21 The study examines how multinational organizations implement the concept of ethics and compliance programs into their businesses and the extent to which these programs were geared to the 2004 Amendments The study explores the applicability of the 2004 Amendments and analyzes the instruments organizations use to successfully develop and maintain these programs By including research from various fields a theoretical framework was developed for implementing an ethics and compliance program that takes into account the 2004

Amendments     The Business and Human Rights Landscape Jena Martin, Karen E. Bravo, 2016 This is the first book offering a comprehensive historical and contemporary analysis of the emerging business and human rights field     **Corporate Social Responsibility** Daniel Brennan, 2011-01-01 The current theory of corporate social responsibility CSR is developing along three interwoven lines oral social and environmental Although everybody recognizes that although CSR is of growing concern in a globalized economy it being at the top of the board of director s agenda and also good for business there is no sign of consensus on its rules structures or procedures Now this collection of essays by leading jurists businesspeople and academics takes a giant step toward a more cohesive and durable set of principles that can contribute to a cleaner environment and a better society while respecting and protecting the interests of all stakeholders     **Research Handbook on International Law and Natural Resources** Elisa Morgera, Kati Kulovesi, 2016-11-25 Research Handbook on International Law and Natural Resources provides a systematic and comprehensive analysis of the role of international law in regulating the exploration and exploitation of natural resources It illuminates interactions and tensions between international environmental law human rights law and international economic law It also discusses the relevance of soft law international dispute settlement as well as of various unilateral bilateral regional and transnational initiatives in the governance of natural resources While the Handbook is accessible to those approaching the subject for the first time it identifies pressing areas for further investigation that will be of interest to advanced researchers     **Handbook of Research on Theory and Practice of Financial Crimes** Rafay, Abdul, 2021-03-18 Black money and financial crime are emerging global phenomena During the last few decades corrupt financial practices were increasingly being monitored in many countries around the globe Among a large number of problems is a lack of general awareness about all these issues among various stakeholders including researchers and practitioners The Handbook of Research on Theory and Practice of Financial Crimes is a critical scholarly research publication that provides comprehensive research on all aspects of black money and financial crime in individual organizational and societal experiences The book further examines the implications of white collar crime and practices to enhance forensic audits on financial fraud and the effects on tax enforcement Featuring a wide range of topics such as ethical leadership cybercrime and blockchain this book is ideal for policymakers academicians business professionals managers IT specialists researchers and students

The Top Books of the Year Un Global Compact Oecd Guidelines The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Un Global Compact Oecd Guidelines : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
