Insider's Guide to Applying to University Karla Fitzhugh, 2011-06-28 Is your son or daughter applying to university Are you looking to discover the secrets of a successful university application Your complete guide to how the UK university admissions system really works The Insider's Guide to Applying to University gives the full picture about university applications from selecting your degree course and university to accepting an offer or going through clearing Containing essential tips for applicants The Insider's Guide to Applying to University reveals the real reasons why universities reject a quarter of applications and offers practical tips on how to avoid being part of this statistic Full of honest insights about key differences between what the official information says and what actually happens The Insider's Guide to Applying to University discloses vital information you can't find in university prospectuses from how the application process really works to securing a place on the university degree course of your choice Including a summary at the end of each chapter with a checklist of the points to remember there are useful hints and tips from students admissions tutors and careers professionals advice on the UCAS personal statement and attending interviews and information about common misconceptions about courses With an 8% increase in the number of full time university applications for 2010 the biggest rise in eight years and the trend set to continue it's vital to ensure the best university application possible particularly when there university funding cuts threaten a significant reduction in university places available UCAS has already predicted a challenging and competitive year for those wanting to go to university It remains the case that the UCAS personal statement is a pivotal part of the UCAS application process since even with the new A qualification A level results are no longer enough to guarantee a successful university application Fortunately The Insider's Guide to Applying to University gives current advice from experts to ensure you can present a winning application to a university admissions panel Unravelling the mysteries of university applications and highlighting what admissions tutors are really looking for in prospective students The Insider's Guide to Applying to University is your indispensable resource if you want to get ahead in applying to university Can you afford not to

**The Essential Guide to Becoming a Doctor** Adrian Blundell, Richard Harrison, Benjamin W. Turney, 2009-04-08 An informative guide for anyone contemplating a career in medicine Up to date essential information for a wide group of schoolleavers Covers getting to medical school being there and lifethereafter Written by newly qualified doctors who lecture on medical careers

**The Push Guide to Choosing a University** Jonathan Rich, 2004 This compact guide sets out to advise young people on what to consider before making decisions about attending university It encourages them to question if university is for them and if so what they should think about before choosing a university

**EBOOK: The Mature Student's Guide to Higher Education** Linda Pritchard, Leila Roberts, 2006-03-16 Are you considering changing jobs but require a new skill or qualification Would you like a new challenge or a sense of personal achievement Have you considered higher education but weren't sure how to make that first step into it If so then this is the ideal book for you The Mature

Student's Guide to Higher Education tells you everything you need to know if you are thinking about returning to education as a mature student. It discusses a wide range of issues including what higher education involves, how you should prepare for it, and how to balance your time and cheque book once you get there. This book will explain practical issues as well as addressing your doubts and fears about higher education as a life choice. The book helps you understand the different routes into higher education. Explains the mysteries behind admissions procedures. Encourages you to develop a new range of skills building on the skills you already have. Gives you guidance on how to manage change, time, and family commitments. Helps you overcome barriers like a lack of motivation or confidence. Expertly guides you through the systems of fees, showing the loans and financial help that are available. The Mature Student's Guide to Higher Education provides the most accessible and up-to-date help on how to make an informed decision about when, where, and how to start a suitable higher education course as a mature student, and the career path that might follow.

**How to write your UCAS personal statement and get into university: The Ultimate Guide** Mohan-pal Singh Chandan, 2014. Written by the experts at PersonalStatementChecker.com, this is the definitive guide to UCAS applications and personal statements for anyone applying to university. It covers the realistic challenges faced by applicants and breaks these down into easy-to-follow steps. PersonalStatementChecker.com's online customers regularly get into their first choice universities, and How to Write Your UCAS Personal Statement and Get into University: The Ultimate Guide contains a tried and tested high-quality personal statement walkthrough based on their twenty-five years of combined experience. You will not find such detailed UCAS personal statement advice in any other publication. Amongst many other topics, you'll learn how to make your personal statement stand out from the crowd, how to write an impressive introduction and conclusion, and how to sell yourself in the best possible light. The final section of How to Write Your UCAS Personal Statement and Get into University: The Ultimate Guide includes dedicated chapters for each of the most popular and competitive subject areas, including medicine, dentistry, nursing, law, economics, business, psychology, and many more. Each chapter covers how to write your personal statement and what admissions tutors are looking for in interviews and in your application overall. This guide is indispensable for all schools, colleges, and individual applicants. If you want to know what admissions tutors are really looking for in your application, read this book today. Get into your dream university and secure your future today with PersonalStatementChecker.com.

**Push Guide to Which University** Johnny Rich, 2005-05. This popular guide has been fully updated and redesigned to reflect exactly what today's students want to know. It is the most accessible guide to higher education and student life in the UK and provides reliable, lively, and unbiased information on what universities really offer. The establishments are listed alphabetically, with each entry providing a wealth of information from a description of the campuses to famous alumni. A separate section supplies a list of courses and which universities offer them, making it easy for the reader to cross-reference their chosen course with the right university.

Understanding University: a Guide to Another Planet Christine Sinclair, 2006-04-16. Does university seem like another

planet Does everyone else seem to speak another language What can you do to make the grade If these are the kind of questions you are asking then this is the book you need After the excitement of being accepted the reality of life at university or college can be daunting but help is at hand This practical book guides new students through the terminology used at university and shows you what a student needs to know how to be accepted by students and lecturers how to get the best out of your institution and yourself how to communicate using appropriate language in higher education institutions how to learn the conventions of your specific subject area how to be confident and competent in your new world All new students find the move to university slightly bewildering but with this book you can be one step ahead The author has spent time talking to students across a broad range of different universities and uses her first hand experience as a basis for the book

Understanding University provides a lifeline for new students in further and higher education offering everything from practical advice on studying to explanations of frequently used terms If you don't know the difference between a seminar and a tutorial or want to know what matriculation means then this is where to start Need a little assistance Just open this book And remember you are not alone

**The Independent Schools Guide** Gabbitas Educational Consultants,2006-03 With extensive and detailed profiles and a fully comprehensive directory section this book provides definitive guidance to parents considering private education in Britain
