**The Woman in White** Margaret F. MacDonald, 2020-11-24 A fascinating look at the partnership of artist James McNeill Whistler and his chief model Joanna Hiffernan and the iconic works of art resulting from their life together A lavish volume Illuminating MacDonald's deep research has unearthed important new facts Gioia Diliberto Wall Street Journal In 1860 James McNeill Whistler 1834-1903 and Joanna Hiffernan 1839-1886 met and began a significant professional and personal relationship Hiffernan posed as a model for many of Whistler's works including his controversial *Symphony in White* paintings a trilogy that fascinated and challenged viewers with its complex associations with sex and morality class and fashion academic and realist art Victorian popular fiction aestheticism and spiritualism This luxuriously illustrated volume provides the first comprehensive account of Hiffernan's partnership with Whistler throughout the 1860s and 1870s a period when Whistler was forging a reputation as one of the most innovative and influential artists of his generation A series of essays discusses how Hiffernan and Whistler overturned artistic conventions and sheds light on their interactions with contemporaries including Gustave Courbet for whom she also modeled Packed with new insights into the creation marketing and cultural context of Whistler's iconic works this study also traces their resonance for his fellow artists including Dante Gabriel Rossetti Edgar Degas John Singer Sargent and Gustav Klimt *The Nineteenth-century Novel* Dennis Walder, 2001 The essays in this collection show how the conventions of realism were transformed by new ideas about gender and race

*The Nineteenth-Century Novel: Identities* Dennis Walder, 2013-05-13 *The Nineteenth Century Novel Identities* provides an ideal starting point for understanding gender in the novels of this period It explores the place of fiction in constructing gender identity within society at large considering *Madame Bovary* *Portrait of a Lady* and *The Woman in White* The book continues with a consideration of the novel at the fin de siècle examining *Dracula* *The Awakening* and *Heart of Darkness* These fascinating essays illuminate the ways in which the conventions of realism were disrupted as much by anxieties surrounding colonialism decadence degeneration and the New Woman as by those new ideas about human psychology which heralded the advent of psychoanalysis The concepts which are crucial to the understanding of the literature and society of the nineteenth century are brilliantly explained and discussed in this essential volume *The Woman in White* Wilkie Collins, 1860

**Picture World** Rachel Teukolsky, 2020 Explores the ways in which new forms of visual culture such as such as the illustrated newspaper the cheap caricature cartoon the affordable illustrated book the portrait photograph and the advertising poster worked to shape key Victorian aesthetic concepts *Black and White Strangers* Kenneth W. Warren, 1994 From Abraham Lincoln's wry observation that Harriet Beecher Stowe was the little lady who made this big war to Mark Twain's wild proposition that Walter Scott had somehow touched off sectional hostilities there have been many competing theories about the impact of literature on nineteenth century American society In this provocative book Kenneth W. Warren argues that the rise of literary realism late in the century was shaped by and in turn helped to shape the politics of racial

difference following Reconstruction Taking up a variety of novelists from this period including most prominently Henry James and William Dean Howells Warren demonstrates that even works not directly concerned with race were instrumental in forging a Jim Crow nation As a literary history *Black and White Strangers* places the writing of realistic novels within the context of their serialization in the monthly magazines of the 1880s By viewing these novels in light of editorial policies regarding social propriety national unity and literary aesthetics Warren reveals the often surprising ways in which realistic fiction at once challenged and abetted the growing conservatism of racial politics Warren also seeks to bridge the gap between American and African American literary studies which have hitherto been strangers to each other James and Howells he argues can be understood fully only when read alongside W E B Du Bois and Frances E W Harper James s *The American Scene* for instance must be seen as a companion text to Du Bois s *The Souls of Black Folk* In making these connections Warren challenges American and African American studies to see themselves as mutually constitutive enterprises and to question the value of canon based criticism in any complete investigation of the meaning of race in American cultural history

**Towards an Aesthetics of the Victorian Novel** Nadine Böhm-Schnitker, 2023-11-16 *Towards an Aesthetics of the Victorian Novel* Senses and Sensations establishes a new analytical method in the broader context of sensory studies in order to explain how the genre of the novel can impact on our perception of ourselves and our social contexts Taking cultural literary studies ahead the book re integrates aesthetics a much fraught concept in cultural studies that long favoured popular over high culture into cultural studies as aesthetics in the word s root sense of perception Zooming in on period shifts and changes in taste spanning realism sensation fiction and aestheticism aesthetics reveals how these shifts also pertain to new ways of perceiving in selected novels by George Eliot Wilkie Collins and Vernon Lee Connecting Victorian and current literary theories aesthetics helps explore the way in which the novel can shape the way we perceive the world what remains excluded from the realm of the perceivable and how our conduct is consequently always also influenced by the dominant genres of our time

**The Woman in White** Wilkie Collins, 2006-04-20 As the inscription on his tombstone reveals Wilkie Collins wanted to be remembered as the author of *The Woman in White* for it was this novel that secured his reputation during his lifetime The novel begins with a drawing teacher s eerie late night encounter with a mysterious woman in white and then follows his love for Laura Fairlie a young woman who is falsely incarcerated in an asylum by her husband Sir Percival Glyde and his sinister accomplice Count Fosco This edition returns to the original text that galvanized England when it was published in serial form in *All the Year Round* magazine in 1860 Three different prefaces Collins wrote for the novel as well as two of his essays on the book s composition are reprinted along with nine illustrations The appendices include contemporary reviews along with essays on lunacy asylums mesmerism and the rights of women
