expertise In fact one of my aunts Tia Madon who was originally from Belgium was very knowledgeable in the art of cooking and wrote a culinary book from which some of my recipes are based As a little boy I remember visiting my uncle Fernandos farm Quinta da Amieira in the Ribatejo province of Portugal I would wake up early in the morning to the sound of horseshoes clicking on cobblestone roads I would get up to find the cook churning butter using cream from the cows that were milked that morning Rustic bread was baked in an outdoor clay oven and we would spread the fresh butter on warm slices of bread for breakfast Really is there anything better than this I can still remember the smell and taste of it like it was yesterday One particular day on the farm I was running around playing in the kitchen where else when I accidentally grabbed a red hot iron rod from between the fire logs in the wood oven That same iron rod which burned my hands would later be used to caramelize the sugar atop the crêpes we enjoyed for dessert
