The Pro-Life Pregnancy Help Movement Laura S. Hussey, 2020-02-03 There is more to the pro-life movement than campaigning against abortion That at least is the logic behind a large and growing network of pro life pregnancy centers offering help to pregnant women As these centers face increasing scrutiny this book offers the first social scientific study of the pro life pregnancy help movement The work being performed at pro life pregnancy centers maternity homes and other charitable agencies is Laura S Hussey suggests distinguished by several strategic features it is directed at non state targets operates in largely privatized venues employs service provision as its primary tactic and aims to address causes popularly associated with its countermovement such as women s including poor women s wellbeing and empowerment. The motives and nature of the services such pregnancy centers deliver have become the subjects of competing political narratives but until now very little empirical research A rich mixed method study including data from two original national surveys and extensive interviews Hussey's book adjudicates these opposing views even as it provides a measured look at the identity work history and impact of pro life pregnancy centers and related service providers as well as their relations with the larger American antiabortion movement To what extent is pro life pregnancy help work primarily geared to serving women versus saving babies Pursued in these pages the answer has broad implications for the wider study of social action and the pro life movement and for the future of the American abortion conflict Redeemed by Grace Ramona Treviño, Roxane B Salonen, 2014-12-19 Learn more about Redeemed by Grace At age eight Ramona Trevi o climbed to the top of a roof and begged God to let her know he was real After receiving a sign she made a pact with herself to follow him always But family difficulties and growing pains made it hard for her to continue on that path Pregnant at 16 she dropped out of high school and entered an abusive marriage which ended in divorce Wanting to make a difference and to help girls in similar tough situations she accepted a job as the manager of a Planned Parenthood facility in Sherman Texas Over time however Ramona began to grapple with whether she was doing women more harm than good setting her on a path to seek the truth no matter where it might lead Realizing she could no longer refer women for abortions or provide them with false assurances of risk free sex Ramona took a leap of faith and left the financial security of her job Her ultimate conversion involved a full return to the Catholic faith of her childhood and a new role as a pro life advocate and speaker This compelling story tells of Ramona s struggle to reconcile her identity as a daughter of God with a world that sends conflicting messages concerning the source of our dignity and happiness It is the honest and heartfelt account of a woman who with the help of grace strove to overcome the wounds of her own past while becoming an agent of healing for others The Wichita Watcher Karen Fifer, 2020-01-09 Ulysses a guardian angel a protector from the realm of heaven has been given his assignment to protect a young girl named Marjorie Ruthmeir Limited to the boundaries between the spirit realm and the world Ulysses must figure out how to protect his watch in a world full of evil treachery and deceit Marjorie Ruthmeir has deep dark secrets Sold into

the sexual trafficking trade when she was fourteen years old all she had ever dreamed of was for someone to love her and keep her safe Determined to keep her past a secret she escapes changes her name to Margo and takes a bus to Wichita Kansas to start a new life and hopefully to find her long lost brother Struggling to find love and safety in a world that has only caused her pain will Margo s tainted past destroy any hope she has for finding love and safety The Wichita Watcher is a captivating mystery demonstrating the struggles and triumphs of life while God s grace draws us near to himself
