Quintilian and the Law Olga Eveline Tellegen-Couperus, 2003 The art of persuasion as practised today in political debate as well as in the courts of law has been developed in the rhetorical tradition but its authors have disappeared from view One of them was Quintilian who wrote his *Institutio oratoria* at the end of the first century AD This book is special because it contains one of the fullest surveys of rhetorical insights ever written and because it has come down to us in its entirety Quintilian's rhetorical system has been used in teaching rhetoric at universities since the Middle Ages The purpose of *Quintilian and the Law* is to reintroduce Quintilian's *Institutio oratoria* to modern readers and to show that the topics discussed in it are still very much alive today To that end modern experts of law and rhetoric present their views on the *Institutio oratoria* each dealing with one of the twelve books of which it consists The authors were free to choose their own way of working so that some books are described in their entirety others are discussed from one particular point of view and others still are treated only with regard to a particular section In Roman times the shortest way to a political career was by working in the law courts There one could acquire a reputation for having a thorough knowledge of the law and for being able to speak well in public In his *Institutio oratoria* Quintilian not only formulated important insights in juridical argumentation in the art of speech writing and in the performative aspects of advocacy he also discussed the ethical problems involved Because Quintilian larded his instructions with numerous examples from practice his book takes us back into the Roman law courts and helps us experience their exciting atmosphere The essays in this book reflect the wide range of subjects discussed by Quintilian They deal with one of six themes 1 the ideal orator in a historical perspective 2 his education 3 rhetoric and communication 4 argumentation 5 Roman law in the *Institutio oratoria* and 6 emotions in the courtroom However in honour of its author they are arranged in the order of the *Institutio oratoria*
