Here's How: Write First-Class Letters L. Sue Baugh, 1999 Even with today's high tech communications options, there are some situations in which only a well-crafted letter will do. This book explains how to write effective and appropriate letters for all occasions. Learning Disabilities Barry E. McNamara, 1998-08-13 This book addresses issues in teacher preparation and parental roles in the education of children with learning disabilities. It provides a variety of instructional approaches that recognize the cultural and linguistic diversity found in students classified as learning disabled. There is a critical need to incorporate a sensitivity to issues of diversity into educational assessment, curriculum planning, teacher training and interactions with parents, especially in large urban areas which are characterized by cultural and linguistic diversity. Significant changes in traditional special education assessment and instruction are needed to effectively deal with the overrepresentation of minority students classified as learning disabled and resolve the inherent problems with the definition and diagnosis of learning disabilities.
