Buchler, 2008 Visit My Website During my 20 years of involvement in youth soccer with both boys and girls teams I am often asked by parents and players as they enter high school what s the best way to get seen by college coaches and how to get scholarships Before the youth soccer craze hit 15 20 years ago not many high schools had quality soccer programs Today most of the players on high school teams are probably club and travel soccer players and presently there are many more high schools and colleges supporting soccer programs than ever before This has been a good thing for college soccer programs because more and more skilled players are now available to recruit There are even some premier clubs that tend to discourage or not allow their players to play high school soccer There are mixed emotions about this but it also depends on what level you are playing at Many colleges in a regional area are now competing for the same players If you are serious about playing college soccer there may be several opportunities out there for you if you do the proper research and prepare in advance Many fine young soccer players are overlooked each year because they didn t contact or submit their soccer resume to the right colleges left out very important information or waited until it was too late It is also a fact that many colleges simply don t allocate all of their soccer recruiting funds because athletes didn t get in touch with them SO YOU WANT TO PLAY COLLEGE SOCCER will help the prospective college student athlete with the process of researching contacting and selecting a college that s right for them **Step-by-Step Guidebook On Football Recruiting** Sheila Green, 2012-05-17 This is a guidebook that high school football players can follow in an effort to play football at the college level Created by getting input from several resources including former college players parents coaches and academic advisors the guidebook will address the responsibility of the coach parents and players PSTC Strength Training Maine Prince, Justina Prince, PSTC Training, 2008-11-01 This is a testing sample of Google Books Partner **The Student Athlete's Guide to College Success** Algerian Hart Ph.D., F.
