How to Write a Master's Thesis Yvonne N. Bui, 2013-04-03 Yvonne N Bui's *How to Write a Master's Thesis* is a step by step guidebook that demystifies a process that can often prove to be overwhelming and confusing to graduate students. The Third Edition of *How to Write a Master's Thesis* is a comprehensive manual on how to plan and write a five chapter master's thesis and a great resource for graduate students looking for concrete applied guidance on how to successfully complete their master's degrees. While research methods and statistics courses may teach students the basic information on how to conduct research, putting it all together into a single project and document can be a challenge. A Handbook for Preparing Graduate Papers in Music J. David Boyle, Richard K. Fiese, Nancy Zivac, 2004 The purpose of *Preparing Graduate Papers in Music* is to provide music students with some guidelines to assist in the preparation of theses, essays, dissertations, and other papers that may be written as part of their graduate program. This manual includes information and examples for preparing such papers and is designed specifically to assist students in writing about music and in documenting references to music, music notation, recordings, and other musical resources. It is intended to complement guidelines provided by a university's graduate office and the two style manuals most used by music students: *A Manual for Writers of Term Papers, Theses, and Dissertations* (Turabian, 1996) and the *Publication Manual of the American Psychological Association* (APA, 1994).
