Christina J. Semmel, 2007. Effective youth ministry does not require a young person to sign up for, enroll in, or even attend a youth ministry program to be under the care of youth ministry in his or her parish. This book provides ideas for reaching out to young people without requiring them to do anything in return. Through nongathered ministry efforts, we can let all the young people in our community know that God's love and ours is not contingent on their showing up at an event.
