

The image shows a template for a 'Service Proposal' document. It features a white background with a blue abstract graphic in the top-left corner and a blue triangle in the bottom-right corner. The title 'Service Proposal' is centered in a large, black, sans-serif font. Below the title, the text 'Prepared For:' is followed by two placeholder lines: '{{recipient\_full\_name}}' and '{{recipient\_company\_name}}'. On the right side, there are several horizontal grey bars of varying lengths, suggesting a table of contents or a list of items. The entire template is shown as a slightly offset page, with another identical page visible behind it.

American Institute of Architects Official Guide to the 2007 AIA Contract Documents offers unparalleled insight into the AIA's extensive portfolio of contract documents helping the reader understand the forms and how to implement them. This guide is divided into two parts. Part One, The AIA Standard Documents, examines the role of AIA Contract Documents, their history, and how the documents are written and updated. It also reviews the educational and supporting resources that are part of the AIA's contract documents program. Part Two, The AIA Documents Companion, describes agreements in detail, including the purpose and rationale for provisions. Separate chapters cover the owner-contractor, contractor-subcontractor, owner-architect, and architect-consultant agreements. The guide concludes with a chapter describing pivotal legal cases that have helped shape and interpret AIA contracts. Samples of the most commonly used contracts are in print in the appendix, and an accompanying CD-ROM has samples of all AIA Contract Documents in PDF format for Mac and PC computers that released in 2007, as well as the Integrated Project Delivery Family of documents that released in 2008. This book is invaluable for construction project owners, attorneys, contractors, subcontractors, design professionals, and others involved in the procurement management and delivery of building projects. It is also recommended for students and young professionals seeking a degree, certification, or licensure.
