Subject: {\_\_\_\_\_}

Dear Driscoll Leach,

Thanks for connecting with us last week. This letter is to take the discussion further for our annual event ----- (mention the name of the event). We ---- (mention the company name) have been in the industry for ---- (mention the years) and the event is all about ----- (mention the details of the event). The event will be held on ----- (mention date) at ----- (mention location) from ----- (mention time). As the event is organized at such a huge platform, we would need a sponsor whocan make this event successful. Seeing your record and prestige in the industry, we seem you to be the perfect pick forthe sponsorship of the event. Along with this letter, we are also sending you a brief about the event and propositions we will be offering you as a gratitude for the event sponsorship and promotion. Kindly, have a look at them and let us know your feedback on the same.

Yours Sincerely,  
Signature  
Merritt Watson

**Event Planning 2Nd Edition** Laurence Carter, 2013-01-15 Event Planning is an exciting option for individuals who desire to work as event managers. Individuals can work as an organisation's primary event planner or they can freelance as an event planning entrepreneur. Their primary responsibility in either case would be to successfully plan and organise events. Event planning can involve time-consuming detailed work that will require dedication on the part of the event planner to plan and execute the staging of an event. It can be rewarding and satisfying to see the results of your planning efforts coming together in a successful event. This book is dedicated to explaining the practical skills required for event planning in a simple format. The goal is to allow readers to have a greater understanding of what it takes to successfully plan and manage an event and to help them put their knowledge into practical use.

**The Complete Guide to Running Successful Workshops & Seminars** Kristie Lorette, 2014-11-15 A typical workshop doesn't always sound intriguing in fact it's something most people try to avoid attending. Still seminars are held each year in many fields and industries and usually none are alike. While thousands of executives, employees and other professionals dread hours of lectures and preaching that the average conference involves the one you're planning doesn't have to be the norm. **The Complete Guide to Running Successful Workshops Seminars** is your complete guide to putting together an effective conference that is sure to be a hit from start to finish regardless of your field and audience. In this new book you will learn the ins and outs of planning a workshop from general decisions about how long the event will last to the minute details such as where each person will check in and sit. This complete guide will teach you how to effectively target and communicate with your audience so you can give your attendees the information they were missing. You will learn about the basics of leading a training program such as what characteristics you should portray to show your authority and credibility as well as the general structural elements of a workshop seminar and conference. This comprehensive book will help you define the reason why you are holding a workshop and will teach you to succinctly create an objective for your participants so that you are destined for success. You will even learn how to evaluate and measure your success during and after the event to prove your true effectiveness and determine your program's strengths and weaknesses. Filled with information about how to build a budget, planning, scheduling and get funding for your workshop this book addresses the financial aspect of holding an hour, day or weekend workshop so that you can adequately allocate your money. This comprehensive guide has it all and will teach you everything you need to know to plan, promote and present a conference.
