Legislatures in Evolution / Les législatures en transformation Charles Feldman, David Groves, 2022-09-14

Legislatures in Evolution presents a series of essays on evolution and change in the legislative context. They cover a wide range of topics including both proposed and implemented reforms. The contributions included here discuss parliamentarians' attitude toward party discipline, the specific challenges associated with implementing sexual harassment policies within legislatures, the consequences of the Supreme Court's ruling in *Mikisew Cree First Nation v Canada* on the government's duty to consult Indigenous Peoples when drafting legislation, parliamentarians' engagement in budgetary control issues, the reform of the rules governing prayers in the Legislature of British Columbia, and time management reforms in the Legislative Assembly of Yukon. Charles Feldman, Geneviève Tellier, David Groves, and their contributors bring together both practical and academic experience and perspectives. They conclude with an analysis of parliamentary reforms, paying particular attention to the impact of the COVID-19 pandemic on the functioning of legislatures.

Sacred Mysteries Dennis Chester Smolarski, 1995. *Sacred Mysteries* opens by reflecting on the continual process of reform in the church and on the foundational principles for all liturgical action. It then moves to a discussion of each of the sacraments with particular reference to the way they are ritualized in the assembly. A final chapter addresses practices that can cloud the experience of mystery during liturgical celebrations and thus inhibit rather than enhance the power of the rite.

The Non-Religious and the State Jeffrey Tyssens, Niels De Nutte, Stefan Schröder, 2024-06-25. **In Jesus' Name** John D. Laing, 2010-01-01. Can military chaplains pray in Jesus' name? Are they allowed to share their faith openly? Are evangelical Christians persecuted in the military? Does the general prohibition against proselytizing in the military violate soldiers' Constitutional rights? Are liberalism and/or universalism implicitly endorsed by the military and political leadership as the preferred religion of the United States government? In this timely and important book, John Laing draws upon his knowledge as a professor of theology and philosophy and his experience as an Army chaplain in order to address these questions and more, with a view to answering the larger theological question of whether evangelicals can successfully serve as military chaplains while remaining true to their conservative biblical beliefs and evangelistic commitments. While the book is primarily written for those involved or interested in military chaplaincy, it has a broader appeal as the issues discussed are relevant to all areas of chaplaincy: healthcare, institutional, public service, campus, and marketplace.

Congressional Record United States Congress, 2003. **Latter-Day Political Views** Jeffrey Carl Fox, 2006-01-01. *Latter Day Political Views* is a formal study of the effect of religion and culture on the political worldviews of practicing Mormons from different races and nationalities. Previous studies have focused on Mormons in Utah and found phenomenally high levels of homogeneity in Latter Day Saints' LDS political views, so much so that Mormons have been considered a distinct ethnic group. What author Jeffrey C. Fox finds shatters this illusion. Here he illuminates how people with different backgrounds are able to not only reconcile various

clashing cultural beliefs with Mormon doctrine but also form their own unique political views that differ systematically by race and political culture As the church rapidly expands and becomes more racially and culturally diverse Latter Day Political Views encourages readers to expand their field of vision and understand the impact of Mormon doctrine on the political thought of all its members BOOK JACKET **ABA Journal** ,1991-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association

Our Non-Christian Nation Jay Wexler,2023-05-25 Essential reading for anyone interested in understanding the contemporary battles over religion s role in our national politics and culture Phil Zuckerman author of Living the Secular Life Less and less Christian demographically America is now home to an ever larger number of people who say they identify with no religion at all These non Christians have increasingly been demanding their full participation in public life bringing their arguments all the way to the Supreme Court The law is on their side but that doesn t mean that their attempts are not met with suspicion or outright hostility In Our Non Christian Nation Jay Wexler travels the country to engage the non Christians who have called on us to maintain our ideals of inclusivity and diversity With his characteristic sympathy and humor he introduces us to the Summum and their Seven Aphorisms a Wiccan priestess who would deck her City Hall with a pagan holiday wreath and other determined champions of free religious expression As Wexler reminds us anyone who cares about pluralism equality and fairness should support a public square filled with a variety of religious and nonreligious voices The stakes are nothing short of long term social peace A timely at times funny and compelling piece of reportage looking at a variety of religious groups as well as a strong argument for the importance of a pluralistic society The Boston Globe In this brilliantly erudite and hugely entertaining romp through recent religious and legal history Jay Wexler shows why as our country becomes more religiously diverse non Christians need to get their voices heard and Christians need to help repair the wall between church and state A marvelous read Michael Shermer Skeptic *Congressional Record* United States. Congress,1971 **The Religious Left and Church-State Relations** Steven H. Shiffrin,2012-09-16 In The Religious Left and Church State Relations noted constitutional law scholar Steven Shiffrin argues that the religious left not the secular left is best equipped to lead the battle against the religious right on questions of church and state in America today Explaining that the chosen rhetoric of secular liberals is poorly equipped to argue against religious conservatives Shiffrin shows that all progressives religious and secular must appeal to broader values promoting religious liberty He demonstrates that the separation of church and state serves to protect religions from political manipulation while tight connections between church and state compromise the integrity of religious institutions Shiffrin discusses the pluralistic foundations of the religion clauses in the First Amendment and asserts that the clauses cannot be confined to the protection of liberty equality or equal liberty He explores the constitutional framework of religious liberalism applying it to controversial examples including the Pledge of Allegiance the government s use of religious symbols the teaching of evolution in public schools and school

vouchers Shiffrin examines how the approaches of secular liberalism toward church state relations have been misguided philosophically and politically and he illustrates why theological arguments hold an important democratic position not in courtrooms or halls of government but in the public dialogue The book contends that the great issue of American religious politics is not whether religions should be supported at all but how religions can best be strengthened and preserved The Art of Thinking Vincent Ryan Ruggiero,1991 *Dialogues* Gary Goshgarian,Kathleen Krueger,Janet B.
