McNamara, 2010-10 Child Safety Guidelines for Local Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house Sadly many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones By not taking reasonable precautions they not only endanger the welfare of their youngsters but are subject to charges of gross negligence and significant financial judgments against their congregations The author outlines numerous steps that any congregation can take to protect both the children and churches they serve ROGER MCNAMARA is a veteran pastor missionary and church planter with more than forty six years of experience in local church ministry in Latin America and the United States He has started and worked in half a dozen churches over the past four decades and now serves as the Church Planting Training Specialist for Baptist Mid Missions In this capacity he works with churches and church planters throughout the United States and Canada teaching training and mentoring church leaders He also serves in a number of leadership positions within the Baptist Mid Missions TEAM NORTH AMERICA as well as the registrar for the School of Church Planting He has published two other books and several leadership training manuals Small Church, Excellent Ministry Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches How to Lead a Church to Reach People and Grow Robert A. Young, 2009-05 This book presents a unique approach to church growth It is written mainly to help churches that are declining but will help all churches The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict This disrupts the fellowship and leaves very little time and energy for reaching new people The subtitle could be Fifteen Essential Steps To Growth Basic growth and administrative principles The combining of these areas makes this a unique book Young has brought together these basic elements from over 40 years of experience The book is a practical guide for a local church to

follow to function efficiently and effectively and reach people for Christ When the steps are followed and in the proper order the church can pretty well be assured of growth and effective ministry Dr Robert A Young is currently President of Samuelite Corp Church Outreach and Consulting He served as Associate Pastor Administration of Walnut Street Baptist Church Louisville KY and Park Cities Baptist Church Dallas TX and President of the National Association of Church Business Administration He has conducted Total Church Consultations and Capital Fund Campaigns for churches of all sizes and denominations He is now available to serve churches as a consultant in these areas He is also the author of The Development of A Church Manual of Administrative Policies Law Office Policy & Procedures Manual Howard I.
