

## Letter Requesting Additional Scholarship Funds

**May 19, 2055**

Scholarship Committee  
Beacon University  
124 Horizon Road  
Boston, MA 02115

**Dear Members of the Scholarship Committee,**

I am writing to request additional funding for the Beacon Scholars Award due to unforeseen financial challenges my family has faced this year. Unexpected medical expenses have significantly impacted our ability to meet the remaining tuition balance, and this additional support would ensure my uninterrupted progress toward earning a degree in nursing.

At Beacon University, I have maintained a GPA of 3.8 and actively participated in the Student Nurses Association, where I organized health education workshops for underserved communities. These experiences have solidified my passion for healthcare and commitment to serving others.

epitome of moral action but are liable to view those people's requests for charity as merely utilitarian. Yet in many religious discourses prayers and requests for alms are highly valued as moral acts obligatory for establishing relationships with the divine. Framing the moral qualities of asking and giving in conjunction with each other, the contributors explore the generation of trust and mistrust, the politics of charity and accountability, and tensions between universalism and particularism in religious philanthropy. *Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations for 2007* United States. Congress. House. Committee on Appropriations. Subcommittee on Agriculture, Rural Development, Food and Drug Administration, and Related Agencies, 2006 **Directory of Research Grants 2008** Schoolhouse Partners LLC, 2008-05 It was the 50s and life was simple until September 25, 1954. That was the night that would be etched in the memory of the citizens of Stanfield, Massachusetts. The Chief of Police described the brutal savagery of the double homicide as the most atrocious crime in the history of the city. A fourteen-year-old girl and the four-year-old boy in her care were murdered at the hands of a deranged depraved killer. A Thread of Evidence places the reader at the scene of the crime, an eye witness to the senseless stabbing of two innocent children. With a piece of crochet thread as their only clue, the entire police department, led by detectives Steven Logan and Raymond Gage, scour the city in search of a maniacal savage. When all tips and leads have been exhausted, they review all evidence. They come back to the thread. The only real evidence. With tenacity and perseverance, Logan and Gage, the killer is apprehended. The reader experiences the twists and turns of the investigation and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence. A Thread of Evidence has been written as fiction but inspired by an actual event. Fifty years later, it remains etched in the minds of all who had lived in the area. The author has researched court records, newspapers, interviewed neighbors, police, and has drawn on personal recollections of the crime. The story has been recounted over and over, and to this day, it continues to be discussed. A Thread of Evidence is a compelling account of superb detective work and unprecedented dedication of an entire police department. *Department of the Navy RDT&E Management Guide* United States.
