

# RESEARCH PROPOSAL TEMPLATE

When preparing an application for entry into a research higher degree program it is necessary to supply a clear statement describing the proposed area of research (a research proposal). Consultation with a faculty or school academic staff member in the research area of interest is recommended prior to submission of an application. Liaising with an academic allows you to frame the proposal to align with established disciplines and areas of supervisor capacity.

You must write your own research proposal and reference accordingly. The exception is when your potential supervisor finalises the research proposal with you, for a specific research project that has already been defined. Please visit the University's Academic Integrity pages and policy

## General

Length:	From one to three pages is often suitable, depending on the area of research.
Detail:	The following outline may be used as a guide. You should consider each of the areas that will be relevant to your research.
Minimum:	The recommended minimum requirements are identified with an asterisk (*).

## Research topic/title\*

An initial working title should be provided and should describe the content and direction of your project. For example: *A template for assisting research students in the development of a research proposal*

## PROJECT DESCRIPTION

### Background

What is already known or unknown? Set the scene.

### Aims\*

What do you want to know, prove, demonstrate, analyse, test, investigate or examine? List your project aims in a logical sequence. For example:  
The aim of this project is to:

- Provide an outline of a research proposal
- Enable a prospective student to prepare a research proposal

### Methodology\*

How do you anticipate you will achieve these aims?  
What do you need? (specify any special equipment, software or material) Can you access necessary data or expertise?  
Do you require particular resources?  
Are there barriers or pitfalls?  
Does the project involve human ethics, animal ethics or safety implications?  
Is travel or fieldwork required? If so, where to, how long and at what intervals?

### Expected outcomes, significance or rationale

Why is it important?  
What do you expect it will deliver?  
What are the expected outcomes?  
Establish the importance of your project by highlighting its originality or why it is worth pursuing. Highlight the benefits, positive expected outcomes or innovative applications of knowledge.

### Timetable\*

Indicate the timeframe for each broad stage considering literature surveys, data collection, production, modelling, review, analysis, testing, reporting, chapter and thesis writing, and thesis submission date.

**Hermeneutics** Mark Alan Bowald,2016-04-08 This book proposes an original typology for grasping the differences between diverse types of biblical interpretation fashioned in a triangle around a major theological and philosophical lacuna the relation between divine and human action Despite their purported concern for reading God s word most modern and postmodern approaches to biblical interpretation do not seriously consider the role of divine agency as having a real influence in and on the process of reading Scripture Mark Bowald seeks to correct and clarify this deficiency by demonstrating the inevitable role that divine agency plays in contemporary proposals in relation to human agency enacted in the composition of the biblical text and the reader This book presents an important contribution to the emerging field of theological hermeneutics Bowald discusses in depth the hermeneutics of George Lindbeck Hans Frei Kevin Vanhoozer Francis Watson Stephen Fowl David Kelsey Werner Jeanrond Karl Barth James K A Smith and Nicholas Wolterstorff

*Religion in Today's World* Melissa M. Wilcox,2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective      **Training for Doctoral**

**Research** J IAN Mason,2009-01-30 Following the rapid expansion of translation studies as an emergent inter discipline over recent decades demand for doctoral research opportunities is now growing fast in many countries At the same time doctoral training packages of a generic nature have been elaborated and refined at many universities drawing on long traditions of doctoral research in established disciplines A degree of consensus no doubt exists on such matters as the need for rigor method and the generation of new knowledge Beyond that however there are a host of issues specific to translation and interpreting studies that remain under researched and under discussed Contributors to this special issue encourage reflection on a range of issues in ways that foster further debate and collaboration on the development of doctoral studies within the field A number of concrete proposals are offered that could be adapted to local situations in different countries

and academic settings While some of the contributions adopt a mainly empirical stance others adopt a broad perspective on training citing examples of widely differing projects Two contributors offer insights from personal experience of doctoral study while another describes the organization of doctoral work within the conceptual framework of a research group All consider training from the angle of student needs and offer concrete suggestions for ensuring that doctoral candidates are equipped with the guidance concepts methods and tools required for success **Bulletin - Council on the Study of**

**Religion** Council on the Study of Religion,1982 **The History of the University of Oxford: Volume VIII: The Twentieth Century** Brian Harrison,Trevor Henry Aston,1994-04-07 This volume the eighth in The History of the University of Oxford shows how one of the world s major universities has responded to the formidable challenges offered by the twentieth century Because Oxford s response has not taken a revolutionary or dramatic form outside observers have not always appreciated the scale of its transformation Here full attention is given to the forces for change the rapid growth in provision for the natural and social sciences the advance of professionalism in scholarship sport and cultural achievement the diffusion of international influences through Rhodes scholars two world wars and the University s mounting research priorities the growing impact of government and of public funding the steady advance of women and the impact made by Oxford s broadened criteria for undergraduate admission The volume also provides valuable background material for the discussion of educational policy In short its presents the reader with a rich cornucopia of insight into many aspects of British life **The Study of Religion in an Age of Global Dialogue** Leonard J. Swidler,Paul Mojzes,2000 Religion is the most fundamental comprehensive of all human activities it tries to make sense out of not simply one or another aspect of human life but of all aspects of human experience At the core of every civilization lies its religion which both reflects and shapes it Thus if we wish to understand human life in general and our specific culture and history we need to understand religion What is religion Religion is an explanation of the ultimate meaning of life and how to live accordingly based on a notion of the Transcendent Normally it contains the four C s Creed Code Cult Community structure CREED refers To The cognitive aspect of a religion it is everything that goes into the explanation of the ultimate meaning of life CODE OF BEHAVIOR or ethics includes all the rules and customs of action that somehow follow from one aspect or another of the Creed CULT means all the ritual activities that relate the follower to one aspect or another of the Transcendent either directly or indirectly prayer being an example of the former and certain formal behavior toward representatives of the Transcendent such as priests of the latter COMMUNITY STRUCTURE refers To The relationships among the followers this can vary widely from a very egalitarian relationship As among Quakers through a republican structure as Presbyterians have To a monarchical one As with some Hasidic Jews have with their Rebbe THE TRANSCENDENT As the roots of the word indicate means that which goes beyond the everyday The ordinary The surface experience of reality it can mean spirits gods a Personal God An Impersonal God Emptiness etc This volume looks at the ways we humans have developed to study religion However a new

age in human consciousness is now dawning The Age of Global Dialogue a radically new consciousness which fundamentally shifts the ways we understand everything in life including religion This global dialogical way of understanding life does not lead to one global religion but it does lead toward a consciously acknowledged common set of ethical principles a Global Ethic The book looks at these two movements the Age of Global Dialogue and inchoative Global Ethic in order to help readers understand what is going on around them So they might make informed intelligent decisions about the meaning of life and how to live it Author note Leonard Swidler is Professor of Religion at Temple University Paul Mojzesis Academic Dean and Professor of Religious Studies at Rosemount College

*Essays on Being Reformed* Dirkie Smit, 2009-12-01 What does it mean to be Reformed Christians in the world today and in Africa and South Africa What does it mean to commemorate the legacy of John Calvin 1509 1564 after 500 years in a modern world characterised by democracy by popular notions of human dignity and human rights by worldwide struggles for individual freedoms and for social justice by a global economy in crisis when social historians argue about the lasting contribution of Calvin and his followers precisely with respect to all these modern phenomena The 28 essays by Dirkie Smit selected for this volume deal with such questions

*Review of Religious Research*, 2004

**The Church System, or The Preponderances of Mr. K.** Tomasz Polak, The preponderances of Mr K in the title of this book refers to the short anecdotal stories written by Bertolt Brecht The author invited Mr K to introduce his comprehensive analyses of the church system i e the inner raison d tre of Christian communities cultures or institutions His book presents six insights into the origins nature and functioning of the church system Each of them is explained and illustrated with vivid erudite references to texts and actions that reveal the very viscera of that system This book s central metaphor is that of the core and shells of the church system

**Composition as Conversation** Heather M. Hoover, 2023-06-27 Teaching writing is not for the faint of heart but it can be a tremendous gift to teachers and students Students often approach writing courses with trepidation because they think of writing as a mystical and opaque process

Teachers often approach these same courses with dread because of the enormous workload and the often unpolished skills of new writers This approachable composition textbook for beginning writers contends that writing can be a better experience for everyone when taught as an empathetic and respectful conversation In a time in which discourse is not always civil and language is not always tended carefully a conversation based writing approach emphasizes intention and care Written by a teacher with more than fifteen years of experience in the college writing classroom *Composition as Conversation* explores what happens when the art of conversation meets the art of writing Heather Hoover shows how seven virtues including curiosity attentiveness relatability open mindedness and generosity inform the writing process and can help students become more effective writers She invites writers of all skill levels to make meaningful contributions with their writing This short accessible and instructive book offers a reflective method for college level writing and will also work well in classical school high school and homeschool contexts It demystifies the writing process and helps students understand why their writing matters It will energize teachers of writing as they encourage their students to become careful readers and observers intentional listeners and empathetic arguers The book also provides helpful sample assignments      *Writing Research Papers Across the Curriculum* Susan M. Hubbuch, 2004 This handbook takes students through the steps and strategies of writing research papers in many disciplines It introduces two documentation styles for the humanities and two for the social and natural sciences Discussions cover three types of research papers across the curriculum reports on studies and experiments review of literature papers and critical papers      The Religion and Theology Student Writer's Manual and Reader's Guide Joel Hopko, Gregory M. Scott, Stephen M. Garrison, 2017-11-02 The Religion Student Writer s Manual and Reader s Guide is a set of instructions and exercises that sequentially develop citizenship academic and professional skills while providing students with knowledge about a wide range of religious concepts phenomena and information sources Part 1 begins by teaching students about reading and writing in introductory religion It focuses on the crafts of writing and scholarship by providing the basics of grammar style formats and source citation and then introduces students to a variety of rich information resources including the religious journals and the Library of Congress Part 2 prepares students to research read write review and critique religious scholarship Finally Part 3 provides for the practice of religious scholarship in advanced courses such as the history of religion and contemporary approaches to the study of religion      Religion Index One ,2007
