TERMINAL PROCEDURES

Earning Points (Issue):

Inside the Station:

1. Enter (scan) items purchased.
2. When you select the TENDER key you will be prompted KICKBACK Loyalty? (Y/N). "Enter ID." Ask the customer, "Do you have a KickBack card with you today?"
 - a. If they say "no" then select "NO" (cash) key. After you've said, "Let me get you one, it's free!" and they say "no" again.
 - b. If they say "yes", select "YES" (total) key, and then swipe their card, or enter their registered 10-digit phone number.
3. When their receipt prints, it will show their STATUS and any MESSAGES sent by the loyalty system at the bottom of the receipt.
4. Say "Thank you" and (the person's name).

Outside at the Pump:

1. Customer will be prompted, "Insert your KickBack card, then your method of payment."
2. The customer must insert their rewards card first or enter their **registered** 10-digit phone number, then their method of payment, in order to get their points.
3. Then when prompted insert/swipe their payment instrument (credit/debit card). Points cannot be awarded after the sale.
4. When the receipt prints it will show their STATUS and any MESSAGES sent by the loyalty system at the bottom of the receipt.

Spend Their Points (Redeem):

Points can only be redeemed for a purchase – NOT CASH!

1. Enter (scan) purchases into the machine.
2. Select the REDEEM speed key on your machine. This informs the loyalty server that the customer wants to use their points to pay for their purchase today.
3. Select the TENDER key.
4. Swipe the Kickback card. (They must have their Kickback card to make a redemption, they cannot use their **registered** 10-digit phone number.)
5. The system will AUTOMATICALLY reduce how much they owe (up to the total amount or the maximum number of points available on their card).
6. Be sure to collect any balance still owing on the transaction.
7. Customer must sign the receipt and put it into the till (drawer). It is just like cash when counting and balancing the till at the end of the day. Points cannot be redeemed at the pump. Customers will need to come inside to redeem their points. See above directions for point redemption. This will require the cashier to treat this as a PREPAY/POSTPAY transaction.

Balance Check (Loyalty Status):

1. Select the LOYALTY STATUS speed key.
2. Have the customer swipe their card or enter their **registered** 10-digit phone number to check the balance on their card.
3. The receipt will also show details of the last time points were added to their card.

The loyalty system requires access to the Internet. You should learn how to reboot your DSL/Cable modem NOW, so when and if you lose Internet service you'll know what to do. If you need assistance, please call toll-free our 24/7 Support at 1/888-235-5503.

for equipment used in the protocol Policy and Procedural Guidelines for Hyperbaric Facilities Laura Josefsen, 2017-06-29

The field of hyperbaric medicine along with hyperbaric centers throughout the United States and abroad continues to grow. This growth has been exponential, touting an increase from 350 centers in 1993 to well over 2,500 programs today. With this progression exists a need to establish a resource guideline for developing complete and comprehensive policies and procedures for clinical hyperbaric units. Hyperbaric policy and procedures provide the guiding principles and foundation for safety, quality, transparency, and cost-effective hyperbaric medical and nursing practice. Every hyperbaric facility needs to follow its specific policies and procedures. Policy and Procedural Guidelines for Hyperbaric Facilities provides needed resource and reference guidelines for new and established hyperbaric facilities. It will serve as a reference for the development of new hyperbaric policies as well as customize and enhance current policies and procedures already in place. Policy and Procedural Guidelines for Hyperbaric Facilities addresses issues of safety and practice for both the multiplace and monoplace environments. It utilizes regulatory guidelines and standards of practice as its foundation. Topics covered in this work include but are not limited to governance, administration, emergency procedures, patient care, hyperbaric chamber maintenance, treatment protocols, and quality improvement. The appendices include sample forms for both Class A multiplace and Class B monoplace chambers. They are intended to serve as templates for development of hyperbaric unit-specific forms. Also included are acronyms, references, and an index, all specific to hyperbaric medicine. The guidelines provided in this document will benefit the diverse group of physicians, nurses, technicians, and allied health care personnel in the hyperbaric field as they customize their unit-specific policies and procedures. The contributing authors are comprised of established experts in the field of undersea and hyperbaric medicine. They are a diverse group of physicians, nurses, and technologists who devoted an extensive amount of time and energy into producing this resource document of the highest quality. Specific acknowledgements can be found in the List of Contributors section of the book. Endorsement from Baromedical Nurses Association (BNA). The Baromedical Nurses Association, established 1985, provides a forum for hyperbaric nursing that encompasses quality, safety, teamwork, mentoring, research, education, and nursing guidelines of standards of care for the patient receiving hyperbaric oxygen therapy. The Baromedical Nurses Association endorses the Policy and Procedural Guidelines for Hyperbaric Facilities as guidelines to enable hyperbaric facilities to develop and/or endorse their unit-specific policies.

Pos Procedure Guide Introduction

In today's digital age, the availability of Pos Procedure Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pos Procedure Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pos Procedure Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pos Procedure Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pos Procedure Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pos Procedure Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pos Procedure Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pos Procedure Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pos Procedure Guide books and manuals for download and embark on your journey of knowledge?
