

POSITION PAPER FORMAT

Rules: Every delegate participating in a committee should hand in an Official Position Paper in written form to the Chair during the first session. If not, he/she has the opportunity to hand it in during the second session (the first session of the second day), being this the last opportunity. In case a delegate does not follow these provisions, he/she will not be able to attend the second session and will receive a warning. Then, the delegate will have to write his/her Position Paper during the considered time for the second session he/she could not attend; at last, the delegate will be granted another warning if he/she does not presents the Position Paper during the third session of the committee. The delegate shall be responsible of writing his/her own Official Position Paper in the considered time. The evaluation of the Official Position Paper is a crucial element in the academic awards decision. This is why any type of plagiarism (Rule 10) is considered a grave misconduct and will invalidate the delegate's possibilities to win any award.

Position Paper

The position paper is an essay in which each delegate expresses his/her nation's position towards the topic discussed in the committee. Three parts compose the essay: a one-page introduction, a second page explaining the country's position on each topic on the Agenda and a third page with the solution proposals. The first page should have the following heading:
