Re: Focused Provider Professional Evaluation for <full_name>

The Joint Commission requires that all practitioners approved to perform new privileges perform an initial period of focused professional practice evaluation (FPPE) of their newly granted privileges, beginning the first day that they begin their patient care activities. The focused practice evaluation should broadly evaluate the ability of the practitioner to safely and competently perform all the requested new privileges.

You were appointed to serve as the preceptor for <full_name>, who is now due for an FPPE report.

Please complete the attached form and return the form to the address listed below. You may also fax or email the form. Please contact Doreen Lawley at 615-323-0712 or doreen.lawley@vanderbilt.edu if you have any questions about the FPPE process.
