RE: PMC Contractors letter of reference.

To whom it may concern,

I have had a longstanding relationship with PMC Contractors. In the current challenging economy we are in, their creative thought process, and excellent management skills, with a keen sense of always looking at a better way to get the project done, has been a great asset on some economically challenging projects I've used them on. Their staff has also been top-notch taking this same approach with some very tight (fast-paced) construction schedules.

I would highly recommend PMC Contractors for whatever type of project you may be considering.

I would offer that you feel free to give me a call to discuss further any questions you may have.

Regards,
