Dear (Name of Special Education Director):

We, are the parents of **student's name**, and we believe **he/she** may have an unidentified disability. **Student's name** has been diagnosed with [insert diagnosis]. We have observed that **he/she** has experienced a loss of his/her ability to make voluntary movements and/or to use speech meaningfully. The following difficulties support our concern that there may be another unidentified disability. Student's name is unable to tell someone what she wants and needs; he/she cannot share information with someone; Student's name is unable to establish social closeness with peers; and he/she is unable to use social etiquette or manners.

"If you want to know what it is like to be unable to speak, there is a way. Go to a party and don't talk. Play mute. Use your hands if you wish, but don't use paper or pencil. Paper and pencil are not always handy for a mute person. Here is what you will find: people talking, talking behind, beside, around, over, through, and even for you; but never with you. You are ignored until finally you feel like a piece of furniture".

Rick Creech
(A person with severe communication disabilities)

We are requesting a complete communication and Assistive Technology Evaluation. Please schedule these evaluations in compliance with the Individuals with Disabilities Education Act [IDEA] and Section 504 of the Rehabilitation Act of 1973. Please consider this letter my consent to evaluate student's name for special education and related services. Obviously, **student's name**, the school district and we will feel much better once we have an understanding of what **student's name** needs, so we would appreciate it if you would schedule the evaluations as quickly as possible. Please call us at home to arrange times and places. I will need copies of all evaluations at least 3 school days before the IEP Team meeting. I will advise you of my IEP Team availability
