**The Wiley Guide to Writing Essays About Literature** Prof. Paul Headrick, 2013-08-01 This outstanding practical guide to writing analytical essays on literature develops interpretive skills through focused exercises and modeled examples. The program is tailored to meet the specific needs of beginning undergraduates. Features unique detailed guidance on paragraph structure. Includes sample essays throughout to model each stage of the essay writing process. Focused exercises develop the techniques outlined in each chapter. Dedicated checklists enable quick accurate assessment by teachers and students. Enhanced glossary with advice on usage added to core definitions.

**Skills for Literary Analysis (Student)** James P. Stobaugh, 2013-08-01 Equips high school students to analyze classic literary genres, discern author's worldviews, and apply biblical standards. Helps you build vocabulary by using new words in every speech and essay. Gain in-depth instruction in the subjects of grammar, punctuation, and spelling. Learn to convey important ideas in both writing and speech in this easy-to-follow daily format. This is a dialectic and logic level course that prepares students for later academic pursuits. This 35-week course presents diverse writings from Shakespeare to Jack London, Lewis Carroll to Longfellow, and Sir Walter Scott to C. S. Lewis. Students are taught to analyze key elements of literature such as allegory, narrative, satire, plot, setting, and more. While Dr. Stobaugh scrutinizes all literature from a Christian worldview, his instruction also helps students develop their skills in public speaking, writing, and discernment to empower them to be more effective Christian apologists. In the steps of Augustine, Milton, and Lewis, students are invited to analyze the classics with a keen discerning eye and to identify positive and negative components of literary worldviews emergent among the classics.

**Writing Strategies for Fiction** Jessica Hathaway, 2014-01-01 Help your students develop the writing skills they need to succeed with this timely resource. This book provides teachers with standards-based strategies to help students demonstrate their learning of fiction-related concepts as they navigate the complexities of literary works. This book offers detailed strategies for using graphic organizers, developing vocabulary, journal writing, taking notes, applying knowledge, and assessing student writing. The strategies also help prepare students for success in college and careers. Classroom examples and differentiation suggestions with every strategy provide clear models for success.

Expertise in Second Language Writing Instruction Alan Hirvela, Diane D. Belcher, 2024-11-25 Despite growing interest in L2 writing teachers, there is a dearth of published works that specifically delve into the nuances of the development of L2 writing teacher expertise. Informed by relevant foundational theory and empirical research, this book addresses this crucial gap in the understanding of expertise in L2 writing instruction. This book offers a holistic analysis of L2 writing instruction, serving as a valuable resource for those involved in the development of L2 writing teacher educators as well as novice teachers striving to hone their skills in teaching L2 writing. It draws from a wide array of international perspectives on the conceptualization of L2 writing teacher expertise and research in this domain. Significantly, it is the first comprehensive work that places expertise in L2 writing instruction at the forefront. It will interest scholars in the disciplines
