

Abortion Persuasive Essay

Abortion has been one of the biggest controversies of all time. Many people believe it is 100% wrong and even consider it to be murder. The definition of abortion is; "The termination of pregnancy by the removal or expulsion from the uterus of a fetus or embryo prior to being capable of normal growth." These pro-life believers do not support the idea of abortion and believe it should be illegal. Many of these supporters do not know that if abortion were illegal they would still be performed, unfortunately by an uneducated staff. Over 70 thousand maternal deaths occur every year because of unsafe abortions. These women die, so the idea of supporting pro-life is contradictory, this is why the nation should be pro-choice.

Pro-choice believers support the right to privacy and the idea women should have the choice to do what they please with their own body and unborn child. As an example, a woman is raped by a man and becomes pregnant with his child. She decides she doesn't want to keep the baby and she has an abortion because the idea of raising a child of her rapist is too painful for her to deal with. Pro-choice defenders take sympathies to this woman while she then gets called a murderer by pro-life supporters. Abortions sometimes results in the woman being harassed because of the choice she has made about her own body. Sometime situations like this turns into harassment which can be considered to be part of anti-abortion violence. These "pro-life supporters" stalk, threaten, and even sometimes kill women who have chosen to have an abortion and even the doctors that provide the procedures. Pro-life also supports the idea that every child has a right to live, even if the mother is not financially able to support the child and the child would struggle everyday along with their mother. These children would be underprivileged and could potentially die from the circumstances they've be forced to live in. Again this is what people that are considered to be "pro-life" defend.

Persuasive Speech On Abortion Pro Choice

Pro-choice supports the girl that is fifteen years old loses her virginity and becomes pregnant because she wasn't fully aware of the consequences of her actions. The choice of her keeping the child would result in her getting kicked out of her home, she'd be finically unable to support the baby, and she would lose her education. With abortion she would not have to deal with these issues, though she would have to deal with the emotional aspect of deciding to terminate the pregnancy. Pro-choice supports the idea she would learn from her mistake and that ultimately it was her choice to do what she wished with her body. Even though these "Pro Life supporters" think giving up your child for adoption is a better choice than an abortion, but those children would be forced to live in an unfit foster home till they age out of the system.
