Youth Football Donation Letter

June 15, 2050

Ms. Stacy Murphy

Financial Director

Stellar Corporation

101 Elm Drive

Hillside, TX 75005

Dear Ms. Murphy,

I hope this letter finds you in good health and spirit. I am writing to you on behalf of Holland Football Club, a non-profit organization that strives to provide opportunities and resources for youth to participate in football in our community.

We believe in helping our community's young people develop their physical abilities, teamwork skills, and character through sports. However, our efforts could not be realized without the generous support of individuals like you.

Our annual budget needs for uniforms, footballs, transportation, and tournament fees total up to around \$10,000. We've been managing to carry out our objectives for the past years, yet this year has posed a significant challenge for us. For this reason, I am writing to you today to seek your support. Any financial contribution would be immensely helpful for us to continue serving our youth, who we believe are the future of our society.

Please kindly consider donating to support our local youth and their love for football.

Thank you for considering our letter, and we hope to hear from you soon.

Sincerely,

Aiden Willis

Head Coach

Encounters in the Rubble Erica J. Lansberg, 2015-08-12 The US occupation of Germany after World War II was a time in which encounters between American soldiers and young German civilians were especially ubiquitous Overall German children and youth played a fundamental role in the US occupation impacting both personal and political relations Using a blend of sources ranging from German children's diaries to official US military records this work provides a wide reaching examination of the youngest civilians under occupation in the postwar aftermath of the Nazi regime It centers on the personal experiences of both German children and American military personnel during the occupation and also examines the ways that young Germans impacted transatlantic policies especially in the context of the emerging Cold War including during the Berlin Airlift This work thus considers the youngest members of the occupied German population as important historical actors during a time of major transition from war to peace marked by encounters made in the rubble
