Youth Football Donation Letter

June 15, 2050

Ms. Stacy Murphy

Financial Director

Stellar Corporation

101 Elm Drive

Hillside, TX 75005

Dear Ms. Murphy,

I hope this letter finds you in good health and spirit. I am writing to you on behalf of Holland Football Club, a non-profit organization that strives to provide opportunities and resources for youth to participate in football in our community.

We believe in helping our community's young people develop their physical abilities, teamwork skills, and character through sports. However, our efforts could not be realized without the generous support of individuals like you.

Our annual budget needs for uniforms, footballs, transportation, and tournament fees total up to around \$10,000. We've been managing to carry out our objectives for the past years, yet this year has posed a significant challenge for us. For this reason, I am writing to you today to seek your support. Any financial contribution would be immensely helpful for us to continue serving our youth, who we believe are the future of our society.

Please kindly consider donating to support our local youth and their love for football.

Thank you for considering our letter, and we hope to hear from you soon.

Sincerely,

Aiden Willis

Head Coach

Directory of Pennsylvania Foundations, 2003 *Design for Sport* Anxo Cereijo Roibás, Emmanuel Stamatakis, 2017-03-02 Design for Sport shows how socially responsible design can contribute to make sport practice widespread in the general population including disadvantaged and hard to reach groups and those that have been traditionally excluded such as the elderly disabled people those living in deprived areas and from lower socioeconomic strata plus certain minority ethnic and religious groups Contributions from around the world provide compelling case studies and an international perspective While the main benefit from expanding sports practice in developed societies would be reduction of chronic disease rates and social inclusion in the developing world where political instability and conflict are more common the authors look at how sport can

have other functions such as a means of post disaster relief They discuss how Participatory Design PD techniques and appropriate ethnographies can be implemented in order to better understand users needs and requirements as in the case of Paralympic sport where the increased sophistication of equipment used has evolved to meet the demands of the athletes Reflecting the multi disciplinary and cross disciplinary nature of design for sport the book also features case studies that look at environmental design to improve sport accessibility social wellbeing economic development and environmental sustainability
