Handbook of Research on Educational Leadership for Equity and Diversity Linda C. Tillman,James Joseph Scheurich,2013-08-21 The rapid growth of diversity within U S schooling and the heightened attention to the lack of equity in student achievement school completion and postsecondary attendance has made equity and diversity two of the principle issues in education educational leadership and educational leadership research The Handbook of Research on Educational Leadership for Equity and Diversity is the first research based handbook that comprehensively addresses the broad diversity in U S schools by race ethnicity culture language gender disability sexual identity and class The Handbook both highly values the critically important strengths and assets that diversity brings to the United States and its schools yet at the same time candidly critiques the destructive deficit thinking biases and prejudices that undermine school success for many groups of students Well known chapter authors explore diversity and related inequities in schools and the achievement problems these issues present to school leaders Each chapter reviews theoretical and empirical evidence of these inequities and provides research

based recommendations for practice and for future research Celebrating the broad diversity in U S schools the Handbook of Research on Educational Leadership for Equity and Diversity critiques the inequities connected to that diversity and provides evidence based practices to promote student success for all children **Journal of Physical Education, Recreation & Dance** ,2003 Learning by Doing Richard DuFour,Rebecca DuFour,2013-06-15 Like the first edition the second edition of Learning by Doing A Handbook for Professional Learning Communities at Work helps educators close the knowing doing gap as they transform their schools into professional learning communities PLCs **From Rigorous Standards to Student Achievement** Laura Mc Cullough,Michael D.
