

# PRAYER FOR PRAYER MEETINGS

Dear Lord

We have gathered here today under your feet to pray. We want you to come and be in the midst of us.

Help us know what to pray for. Let not our minds wonder about the things of the earth as we pray. Let us focus on the spiritual gifts of heaven.

Come and grant us our hearts desires today. If someone came here with a problem we pray that they will not leave here with the same problem. Let our requests be heard and answered by you through Jesus Christ, our Lord,

*Amen*

*Beheading the Saint* Geneviève Zubrzycki, 2016-12-19 The province of Quebec used to be called the priest ridden province by its Protestant neighbors in Canada During the 1960s Quebec became radically secular directly leading to its evolution as a welfare state with lay social services What happened to cause this abrupt change Genevieve Zubrzycki gives us an elegant and penetrating history showing that a key incident sets up the transformation Saint John the Baptist is the patron saint of French Canadians and until 1969 was subject of annual celebrations with a parade in Montreal That year the statue of St John was toppled by protestors breaking off the head from the body Here then is the proximate cause the beheading of a saint a symbolic death to be sure which caused the parades to disappear and other modes of national celebration to take their place The beheading of the saint was part and parcel of the so called Quiet Revolution a period of far reaching social economic political and cultural transformations Quebec society and the identity of its French speaking members drastically reinvented themselves with the rejection of Catholicism Zubrzycki is already acknowledged as a leading authority on nationalism and religion this book will significantly enlarge her stature by showing the extent to which a core feature of the Quiet Revolution was an aesthetic revolt A new generation rejected the symbols of French Canada redefining national identity in the process and as a process and providing momentum for institutional reforms We learn that symbols have causal force generating chains of significations which can transform a Catholic dominated conservative society into a leftist forward looking secular society
