Romeo and Juliet Essay Introduction

Lord Capulet shows himself to be a concerned and caring parent throughout the play. Examine his role with particular reference to act 3 scene 5 and show whether or not you agree. I have been asked to prove whether Lord Capulet is a caring parent or not throughout the play. I believe that he is a caring father for Juliet, he has said and done things throughout the play to prove this to us. I will talk about this later on during the coursework. Meanwhile let us firstly talk about the general period and background which this play took place in. The story of Romeo and Juliet took place in the Elizabethan period. Women's lives were very difficult during those periods, this is because the men had almost full control over them. The only option for a woman to control her life was suicide. They had no voice in society and did not have money earning jobs, whilst divorce was not an open option for them. They were not given access to education. Men had almost full control over them. This proves to us that a woman had no say and whoever her father or brother or male family member told her marry they would have no choice but to marry the chosen man. Women did not have the right to answer back or refuse to get married, and if they did they would have been punished severely for it. Therefore women did not answer back or refuse and did what they were told by their male family members. We can clearly see that these conditions were very harsh for the women at those times, and I am totally against this behaviour and society where women are treated this way. I think it is totally unfair for the women because I believe they should choose whom to marry. At the beginning of the play Paris asks Lord Capulet for Juliet's hand in marriage but Lord Capulet declines, taking into consideration that Lord Capulet wants Paris to marry Juliet at the same time he wants the best for Juliet. These are the first indications of the love that Lord Capulet has for his daughter Juliet. We know this when Lord Capulet quotes "My child is yet a stranger in this world" here he proves to us that she is still young and he cares for her happiness and doesn't want her to get married this early in her life, he gives Paris a certain date "Let two more summers wither in her pride" he believes that in two more summers she will be old and mature enough to be a wife. These quotes show us the characteristics of a caring parent that cares about his child. "But woo her gentle Paris, get her heart." This proves that Capulet cares about Juliet, he wants her to love Paris. The Lord also believes that if Juliet is to marry Paris at this early stage of her life it may spoil her "And too soon married are those so early made." He may know this because of his wife Lady Capulet, who was forced to marry him at a young age. This proves to us that he cares about Juliet; he wants what is most suitable and best for her, which is something you would expect

The Life of August Wilhelm Schlegel, Cosmopolitan of Art and Poetry Roger Paulin,2016-02-01 This is the first full scale biography in any language of a towering figure in German and European Romanticism August Wilhelm Schlegel whose life 1767 to 1845 coincided with its inexorable rise As poet translator critic and oriental scholar Schlegel's extraordinarily diverse interests and writings left a vast intellectual legacy making him a foundational figure in several branches of knowledge He was one of the last thinkers in Europe able to practise as well as to theorise and to attempt to comprehend the nature of culture without being forced to be a narrow specialist With his brother Friedrich for example Schlegel edited the avant garde Romantic periodical Athenaeum and he produced with his wife Caroline a translation of Shakespeare the first metrical version into any foreign language Schlegel's Lectures on Dramatic Art and Literature were a defining force for Coleridge and for the French Romantics But his interests extended to French Italian Spanish and Portuguese literature as well to the Greek and Latin classics and to Sanskrit August Wilhelm Schlegel is the first attempt to engage with this totality to combine an account of Schlegel's life and times with a critical evaluation of his work and its influence Through the study of one man's rich life incorporating the most recent scholarship theoretical approaches and archival resources while remaining easily accessible to all readers Paulin has recovered the intellectual climate of Romanticism in Germany and traced its development into a still potent international movement The extraordinarily wide scope and variety of Schlegel's activities have hitherto acted as a barrier to literary scholars even in Germany In Roger Paulin whose career has given him the knowledge and the experience to grapple with such an ambitious project Schlegel has at last found a worthy exponent
