remaining within the Fundamentalist worldview We think that if we enter into Progressive Christianity we re leaving behind the irrational hurtful racist and untrue theological worldview we were brought up in But what if Fundamentalism is really a kind of Progressive Christianity And both of these twin children of modernity are inherently racist anti Jewish and colonial and therefore antithetical to the brown Jewish Incarnation of the God of Israel What if instead of leaving Fundamentalism we ve really just changed the garbs of the Northern European Enlightenment rather than truly reorientating our whole lives towards the True Good and Beautiful In this book we will examine a need for former Fundamentalists to be reintroduced to the Christian faith One that looks backwards towards Christianity as it existed before the Enlightenment and even the Reformation One that de centers Christian traditions which originated out of Northern Europe by centering Christian traditions rooted in such places as Southwest Asia and North and East Africa By criticizing modernist white Christianity the reader is guided into a Christianity that isn t merely the other side of the same coin but looks radically different

*The Persistence of Religion* Harvey G. Cox, Daisaku Ikeda, 2009-10-30 In the nineteenth century Nietzsche famously announced that God was dead In the twentieth century increasing reliance on science and technology led to a widespread rejection of belief on the grounds of its irrationality Yet religion has not died In fact the opposite has occurred it has persisted and proliferated Despite the relentless pursuit of scientific advancement in the twenty first century we now see religious influence everywhere In this wide ranging dialogue two leading commentators on religion address from their different but complementary traditions of Christianity and Buddhism the continuing appeal of spirituality to people eager to explore fundamental questions of meaning The authors indicate that science for all its benefits has limits of explanation It may be able to show how but not necessarily why Yet belief too must not go unchallenged since as Ikeda says religion can become either a medicine or a poison What then is the proper role of religion in a world plagued by intolerance and extremism The authors point to its place in dialogue education and peacebuilding They emphasise the centrality of non violence and the inspiring examples of Gandhi Martin Luther King and Nelson Mandela In so doing they recount formative experiences of involvement in the civil rights movement and protest against Vietnam Cox and personal exposure to the misery and destruction of war Ikeda Their joint vision of a just and true religious sensibility makes a vital contribution to the fields of religion peace studies and ethics
