**Mated to My Best Friend's Alpha Dad** Scarlett Orion,2025-08-10 Nathan the attractive redhead gasped as the man raked his fingers through her long hair his fingers gripped at her hips while he took her savagely from behind Fuck me harder she begged I want you Red hair slender figure and light makeup these have always been Nathan s demands for Freya asking her to dye her hair red telling her to lose weight and suggesting how to wear her makeup Closing the video on her phone Freya Wilson reread the text on the email to which the footage was attached Before you get married you should watch this video What would you do if you received the erotic video involving your soon to be husband and other women before your wedding In a bold move Freya chose to reject her ex at the wedding and then leave the pack even though the cost is becoming a rogue When Freya was taken in and offered sanctuary by the Highland Pack thanks to her dear friend Sienna she believed her life was finally on an upswing Little did Freya know that the Alpha of the Pack Rufus Crimson was her mate But there is one small issue her best friend Sienna is the daughter of Freya s fated mate Will Rufus accept Freya as his mate her being the same age as his daughter Or will they have to reject each other *Starry Skies, Stolen Kisses, and My Best Friend's Brother* Kimmy Loth,2024-09-03 My best friend s brother was totally off limits But he lived right next door And so

when a date ended badly I found myself at his house after midnight ranting about it Is it too much to ask for a guy to kiss me when I clearly want him too Out of nowhere he had me pressed against the wall You shouldn't have come here tonight My self control goes out the window after midnight And when a beautiful girl comes into my house whining that she didn't get a proper kiss I feel obligated to rectify that

Some of My Best Friends Tajja Isen, 2022-04-19 Named One of the Best Books of the Year by The Globe and Mail Toronto Daily Hive and Electric Literature A fearless and darkly comic essay collection about race justice and the limits of good intentions In this stunning debut collection Catapult editor in chief and award winning voice actor Tajja Isen explores the absurdity of living in a world that has grown fluent in the language of social justice but doesn't always follow through These nine daring essays explore the sometimes troubling and often awkward nature of that discord Some of My Best Friends takes on the cartoon industry's pivot away from colorblind casting the pursuit of diverse representation in the literary world the law's refusal to see inequality and the cozy fictions of nationalism Isen deftly examines the quick cosmetic fixes society makes to address systemic problems and reveals the unexpected ways they can misfire In the spirit of Zadie Smith Cathy Park Hong and Jia Tolentino Isen interlaces cultural criticism with her lived experience to explore the gaps between what we say and what we do what we do and what we value what we value and what we demand

**My Best Friend's Sister (Bad Boys of Chaos, 1)** Marie York, 2021-07-12 Kennedy Bennett is my best friend's little sister and completely off limits I have fought the urge to have her for years Even when she threw herself at me in nothing more than a few pieces of well placed fabric But my self control is waning My desire for her growing The longer I resist the more I want her My best friend will destroy me if he finds out Our friendship will no doubt be over Is sating my desire worth risking a lifelong friendship For Kennedy Bennett it just might be This is a hot and steamy bad boy forbidden romance with a happily ever after ending and no cliffhanger

I Didn't Mean to Kill My Best Friend Kamuela Kaneshiro, 2012-03-21 Getting rid of an article of trash can be difficult there never seems to be any rubbish bins around when you need one However this is a simple chore compared to the frustration and complexity of disposing a friend's dead body I Didn't Mean to Kill My Best Friend is a novella about two friends and their quest to dispose of a mutual friend's body Throughout the night the duo is faced with various obstacles that prevent them from accomplishing their goal I Didn't Mean to Kill My Best Friend is a comedic entertaining look at the difficulties associated with this grim task Featured ebook at the San Diego Comic Con 2012 Word count 12 172 Professionally formatted and edited What people are saying about this book Rebecca Hurst 5 out of 5 U K Brilliantly funny A wonderful debut sharp and witty with a distinctly fresh writing style and new approach to the genre This novella I didn't mean to kill my best friend is an intelligent investigation of the relationship of two friends and uses the murder of their mutual friend to explore how little things about your friendship can lead to the stickiest of ends What I loved most about this book was the visual elements and I could very well imagine it as a manga illustrated novel and film Defaye 5 out of 5 U K Exciting Funny Thrilling A really entertaining short story Read it in one session and was

glued to it If you like a bit of a thrill the plot is bang on The story revolves around two friends trying to ditch their murdered mutual friend Coupled along the way with satirical humour and moments of suspense Can already imagine a film adaptation Sheila Deeth 4 out of 5 U S Grim humorous odd and a fun short tale Two Steves make the beginning of this short story a little confusing but the confusion s part of the tale so it has to be excused The characters aren t particularly pleasing but their dilemma evokes memories of comedy movies and there s an enjoyable inevitability to their inept efforts to both salve their consciences and get rid of the best friend worst enemy s body While the conclusion is bounded by odd coincidence it has a certain logic of its own preset by the story s direction And there are some cleverly amusing discussions on the nature of life death and relationships The author has a nice touch with dialog and a casual off beat humor And the first person narration mixing present tense thoughts with action in past tense works surprisingly well Short definitely not sweet but entertaining in a grimly satirical way

The Noun Phrase in Functional Discourse Grammar Daniel García Velasco, Jan Rijkhoff, 2008 The articles in this volume analyse the noun phrase within the framework of Functional Discourse Grammar FDG the successor to Simon C Dik s Functional Grammar In its current form FDG has an explicit top down organization and distinguishes four hierarchically organized interacting levels i the interpersonal level language as communicational process ii the representational level language as a carrier of content iii the morphosyntactic level and iv the phonological level Together they constitute the grammatical component which in its turn interacts with a cognitive and a communicative component This comprehensive approach to linguistic analysis is also reflected in this volume which contains rich and substantial contributions concerning many different aspects of the noun phrase At the same time the analysis of a major linguistic construction from various perspectives is an excellent way to test a new model of grammar with regard to some of the standards of adequacy for linguistic theories The book contains several papers dealing with matters of representation and formalization of the noun phrase the articles by Kees Hengeveld Jos Luis Gonz lez Escribano Jan Rijkhoff and Evelien Keizer Other contributors are more concerned with the practical application of the model with regard to discourse interpersonal matters Chris Butler John H Connolly whereas the chapters by Dik Bakker and Roland Pfau and by Daniel Garc a Velasco deal with morphosyntactic issues In all the variety of issues addressed and the range of languages considered prove that one of the important advantages of the FDG model is precisely the fact that grammatical phenomena can be treated from a semantic pragmatic morpho syntactic phonological or textual perspective in a coherent fashion
