Chris Rhodes Accounting Services C. J. Cheetham,J. D. Ring,2007 Chris Rhodes Accounting Services is a hypothetical business that offers accounting and business services to its clients The unique feature of this accounting practice set is that it can be used manually or with MYOB Accounting V16 Students are presented with a number of typical business transactions over 3 months source documents are provided for two months and are required to record the transactions manually or using MYOB Accounting The practice set provides students with the skills necessary to keep a set of manual and computerised accounting records whilst developing an understanding of the steps required to complete the accounting cycle

Garden Blitz Hartnett & Yap,Neil Hartnett,2005-12 **Tigre's Tiles Pty Ltd** Martin Bugeja,2003-12-11 Tigre s Tiles Pty Ltd is a manual accounting practice

set designed to give students experience in recording business transactions in a set of manually prepared accounting records

Reality Bytes Christine Louise Yap, Yap & Hartnett, 2007 **Brendan's Books Pty Ltd** Martin Bugeja, 2005 Brendan's Books Pty Ltd is intended for students studying introductory accounting and can be used with any introductory textbook. An advantage of this practice set over many others is that revenue and expense accounts have not been closed at the end of the previous month, therefore providing students with a more realistic scenario. This practice set provides students with the unadjusted trial balance at the end of May and requires students to record typical transactions for a retail business for the last month of the financial year. Once these transactions have been recorded and posted, students are required to complete the accounting cycle by journalising and posting adjusting and closing entries and preparing financial statements. Students that complete this practice set should develop the skills necessary to keep a set of manual accounting records and understand the steps required to complete the accounting cycle. *Glowarm Traders* Kavanagh/Brown, Marie Kavanagh, 2007. *Glowarm Traders* manual accounting practice set is suitable to accompany most introductory accounting textbooks and is recommended for use by students studying an introductory unit in financial accounting. The set covers perpetual inventory FIFO with GST. The major advantage of teaching and learning with a manual practice set is that students will gain a genuine understanding of the underlying processes involved in preparing a set of financial statements. This same level and depth of understanding can be harder to achieve with the sole use of computerised accounting practice sets and software packages as stand alone learning aids. *Glowarm Traders* is ideal to package with Horngren et al *Accounting or Financial Accounting* 5e and or with Peirson Ramsay *Financial Accounting* 4e **Jack's Jewels and Gifts Pty Ltd** Martin Bugeja, 2007-11-14. *Jack's Jewels and Gifts Pty Ltd* is a manual practice set for students studying introductory accounting and can be used with any introductory accounting textbook. An advantage of this practice set over many others is that revenue and expense accounts have not been closed at the end of the previous month, therefore providing the student with a more realistic situation going into the last month of the financial year. This practice set provides students with the unadjusted trial balance at the end of May and requires them to record typical transactions for a retail business for the last month of the financial year. Once these transactions have been recorded and posted, students are required to complete the accounting cycle by journalising and posting adjusting and closing entries and preparing financial statements. This practice set will develop the skills necessary to keep a set of manual accounting records and enable students to understand the steps required to complete the accounting cycle. **The Happy Potters Pty Ltd** Wendy Pabst, Brian Perrin, 2006. *The Happy Potters Pty Ltd* is a manual practice set produced primarily as a teaching aid to be used in association with accounting texts such as *Accounting* 6e by Hoggett Edwards and Medlin. This practice set provides experience in manually recording and posting a variety of business transactions common to small retail businesses so that students will gain an understanding of the out of sight processes in computerised accounting systems. This hands on methodology reinforces understanding of accounting

fundamentals typically encountered in practice and is therefore suitable for students undertaking a course in accounting
