Mostafa Bazari a pillar of the revolution who fights to save their lives Devilishly plotted Ara barely gets out of one terrifying episode before he finds himself thrust into another even more mind boggling event Before we re done we have been introduced to many elements of Iranian society which like a kaleidoscope helps us to understand so much about the revolution its necessity and the hopes and fears of Iranians with regard to it Escape From Iran is a devastating revelation of how the Iranian revolution was experienced by Iranians of different walks of life Although fiction it reveals an unexpectedly complex historical understanding of the period Edmund Burke Emeritus Professor of Middle East History University of California Santa Cruz
