

The background of the cover is a photograph of a welder in a dark environment, wearing a protective mask and gear. The welder is positioned at the top left, working on a large, dark steel beam. A brilliant, intense light emanates from the point of contact between the welding torch and the steel, creating a massive, cascading spray of bright orange and yellow sparks that fills the center and right portions of the frame. The sparks appear as numerous fine, radiating lines, giving a sense of dynamic energy and industrial scale. The overall color palette is dominated by the deep blues and purples of the night or dark workshop, contrasted sharply by the fiery oranges and yellows of the welding process.
