

744/764 De Luxe Zig-Zag Sewing Machine by SINGER

Congratulations!

You are about to discover the pleasure of creative sewing with your new Touch & Sew® sewing machine.

You will enjoy –

- the simplicity of dial controls – you simply dial a stitch length, a stitch width, and a stitch pattern; pressure and tension settings.
- the versatility of your new machine that produces stitches that stretch, and stitches that don't stretch ... permanent stitches that are firmly locked in, and temporary stitches that pull out easily ... stitches that baste, mend, embroider.
- the ability to sew all modern fabrics.
- and, of course, the ease of push-button bobbin winding, and so much more!

Among the many SINGER features that ensure these sewing pleasures are:

- Built-in Flexi-Stitch® Dials that automatically produce straight, stretchable stitches for knits and other stretch fabrics, also intricate decorative stitches, including hem-stitching.

- Soft-Touch Fabric Feed that protects even the most delicate fabrics.
- Snap-on Feet that are quickly removed and easily replaced.
- Built-in patterns and Flexi-Stitch® patterns provide a variety of practical and decorative stitches simply and easily.
- One-Way Needle Clamp that makes it impossible to put the needle in backwards.
- Magnetic Throat Plates that simply lift in and out.

As you go through this book, you will discover how these and many other features give you the ultimate in simplicity of operation and beautiful results.

Enjoy Sewing!
