socio political context of the book is explained Afterwards the background of the novel the main ideas the structure as well as the characters of the novel are analysed The paper reviews the novel and can be used as basis for an oral presentation of the novel *The Golden Notebook* Doris Lessing, 1968 [A Study Guide for Doris Lessing's The Golden Notebook](#) Gale, Cengage Learning, 2015-03-13 A Study Guide for Doris Lessing's *The Golden Notebook* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs *The Golden Notebook* Doris Lessing, 1973 [Study Guide to The Golden Notebook by Doris Lessing](#) Intelligent Education, 2020-02-15 A comprehensive study guide offering in depth explanation essay and test prep for Doris Lessing's *The Golden Notebook* regarded by *The Oxford Companion to English Literature* as one of the key texts of the women's movement of the 1960s As a uniquely structured four part novel published in 1962 *The Golden Notebook* focuses on the idea of fragmentation both in the structure of the book and the content Moreover the novel discusses big picture topics such as mental health communism and women's sexuality This Bright Notes Study Guide explores the context and history of Lessing's classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research [Doris Lessing, The Golden Notebook - an analysis](#) Sabine Picout, 2012-02-13 Presentation Handout from the year 2004 in the subject Didactics for the subject English Literature Works grade sehr gut University of Innsbruck Translationswissenschaft language English abstract Another important characteristic feature which slips into Lessing's novel repeatedly is the new way of treating psychological problems Anna undergoes repeatedly psychotherapy and sees her psychotherapist nicknamed Mother Sugar In the course of her treatment the interpretation of her dreams is very important which shows us the influence of Freud and especially of C G Jung with his theory of psychoanalysis A central theme in *The Golden Notebook* are Anna's doubts about the meaningfulness of literature Structure time scheme and interpretation chart of the action Doris Lessing wanted to leave behind the form of the conventional realistic novel Therefore she chose such an extraordinary construction The skeleton is the short novel *Free Women* which could stand for itself and is some kind of frame story which is divided into five sections by four notebooks The notebooks are told by Anna Wulf the main figure of *Free Women* each notebook focusing on a different kind of experience The Black Notebook is about Anna's time in South Africa and about her best seller *Frontiers of War* **Literature and the Writer**, 2016-08-09 *Literature and the Writer* was first conceived with the hope the essays would shed light on several dimensions of the authorial craft It was the hope of the editor

that the selected essays would examine not only writers choice of vocabulary but also their deliberate selection of grammatical constructions and word order and their seamless weaving together of plots and imagery Moreover the analyses would also draw attention to how the writing process impacts the development of characters and the formulation of thematic strands in fiction Thus a wide variety of authors are deliberately selected to give the text depth writers of popular fiction as well as modern classics are included and contrasts are established between traditional writers and those who prefer to follow experimental trends Modernists are set against postmodernists absurdists vs realists minority ethnicities vs majority cultures and dominant genders appear in contrast to subordinated ones Clearly the major tenet of the collection is that the writing profession provides an unending dilemma that deserves to be explored in more detail as readers try to determine how authorial voices confuse while simultaneously elucidating their audience how texts are constructed by authors and yet deconstructed by the very words they choose to include how silence functions as inaudible yet audible discourse and how authorial self concept shapes not only itself but is also echoed in the fictional characters writers who appear in the texts
