BRIEF BIOGRAPHY OF CATHERINE JOHNSON

As a young girl growing in Jackson, Mississippi, Kathryn "Sister" Johnson grew up in a poor family in a poor town, an African American town and community that barely even existed on maps. Her parents would play games with her and her brother and show her that with education (Sister being the best) she could escape the discrimination that Johnson's town was full of. Sister's family, however, was not able to escape racism in a town where everyone was a member of the same race. When graduating from the University of Alabama with a degree in English and teaching writing, Johnson learned that there had been a great deal of discrimination against African Americans in the South. Johnson's mother, however, had a different attitude. Sister's mother and father were not afraid of a husband's words or the "Big Fish" that they should not. She wanted her to become a teacher.
