Collins, Jeremy Ridgman, 2006 Since the nineteenth century children's literature has been adapted for both the stage and the screen As the twentieth century progressed children's books provided the material for an increasing range of new media from radio to computer games from television to cinema blockbuster Although such adaptations are now recognised as a significant part of the culture of childhood and popular culture in general little has been written about the range of products and experiences that they generate This book brings together writers whose work offers contrasting perspectives on the process of adaptation and the varying transformations social historical and ideological that take place when a text moves from the page to another medium Linking all these contributions is an interest in the changing definition of children's literature and its target audience within an increasingly media rich society *Blow Me Away* Christina Hovland, 2021-04-19 It's all fun and games until somebody falls in love Jase Dvornakov has always loved women 80's hair band music and things that go boom He used to disarm bombs in the Navy but he's back in Denver after a mission overseas went sideways and destroyed his future including his marriage Now he arranges flowers in his family's floral business because flowers don't explode Cookie baker extraordinaire Heather Reese has had one too many rounds of heartache so she's sworn off men and prefers to spend her evenings binge watching game shows Plus her no men rule gives her time to focus on her dream come true Heather's Cookie Co her very own bake shop with an underground following for naughty shaped treats She refuses to be interested in the hot shot florist across the street He is trouble with a capital T Sexy trouble but still a hook up with Jase is a hard nope Desperate to avoid his family's incessant matchmaking a fake breakup with the beautiful Heather is just what the florist ordered If his family believes Heather decimated his heart they'll leave him alone Heather isn't so keen on the idea but Jase is determined to make it worth her while When a pretend breakup becomes the real romance neither was expecting together they'll have to decide if it's finally time to light the fuse on love Blow Me Away is the second book in the Mile High Matched Series Each book stands alone and can be read in any order If you love friends to lovers with a dash of steam this is the book for you Buy Blow Me Away for a laugh out loud romantic comedy *Married to the Rockstar* Christina Hovland, 2022-04-29 Nothing about this arrangement is convenient Jeremy Dillion aka Knox has no intention of succumbing to wedded bliss Gag no His parents divorced when he was young and the only stability in his life comes from his bandmates But now they're finding their own forever sweethearts and Knox is feeling the heat of being a lone wolf in a group effort Still an actual relationship No Ick Irina Carmichael is ready for her big break The problem is no one takes a second look at her since she doesn't fit into the general mold created for Hollywood starlets Her hips are too big her nose is too sharp and her lips are too wide But she's so ready to step out of the background and into the spotlight When Knox gets trashed in the tabloids his publicist pitches the idea of an

image saving marriage to Irina Irina figures the publicity can't hurt and accepts until the offers for major roles start pouring in and she doesn't need the arrangement Unfortunately Knox has broken the first rule of marrying an actress for publicity don't fall in love But can he handle a real relationship And is she ready to stop pretending Pursued by the Rogue Kelly Hunter,2015-10-02 A no strings affair between two dedicated professionals It should have been the perfect solution Ugly duckling Dawn Turner doesn't do relationships She has her reasons and they're good ones But she can't resist the magic in Finbar Sullivan's touch so she negotiates the next best thing with him Scorchingly perfect utterly casual sex World class musician Finnbar Sullivan always pushes the limits to get what he wants and he wants Dawn All of her Love commitment and a future together So he reneges on the deal and composes a new one So what's stopping her And will Finn's latest offer be enough to change Dawn's mind Knocked Up by the Rockstar Christina Hovland,2021-12-10 Things just got serious The only thing music publicist Courtney Lincoln dislikes more than knock off sugary breakfast cereal is the hunky lead singer of her brother's ridiculously popular band A band on the rocks again Seems like this time it'll take a miracle to save Dimefront So when she discovers she's pregnant following one teeny tiny mind blowing morning with Brennan Bax Baxter the timing is not great Being a mom wasn't part of her plan but her plans just changed Following the implosion of his engagement Bax realizes he doesn't want to lose Dimefront too But he's finally let his guard down with Courtney in a steamy slip up that ties them together as unlikely co-parents The big problem He broke the cardinal rule of music don't knock up the bass player's little sister Especially a little sister who sees straight through the facade he's painstakingly curated But he's always wanted a family and he's being offered that chance Plus Courtney might just be exactly who he needs to keep him grounded Even if the band can mend fences there's a baby on the way and Courtney's questioning everything she once thought Bax is suddenly a dreamy boyfriend but she isn't convinced it's authentic given all she knows about his rocker past As the group heads out on what they hope is a reunion tour Bax and Courtney have to figure out what's real what's not and if they can learn to finally trust each other **Take It Off the Menu** Christina Hovland,2021-04-19 Saying I Do has never been such a mess Marlee Medford just got dumped Yes things have become ho-hum in her longtime relationship but she was two days away from walking down the aisle with the man she thought was her forever when he called it off Convincing herself that they'd be able to reignite their spark once the wedding craziness settled That was easy Suddenly finding herself without a fiancé Not so much Marlee needs to regain control of her life and a weekend away with her friends is a solid first step One of Denver's best up and coming chefs perpetual bachelor Eli Howard isn't into serious relationships especially the kind that ends in marriage As if to prove his point that they aren't worth the trouble the wedding he was supposed to be catering just fell apart Feeling oddly protective of the jilted bride his little sister's best friend his weekend plans now involve a trip to Sin City with her group of friends But it looks like he had a bit too much fun in Vegas when he wakes up married wedding night included Marlee's attempts at getting her life back together are failing miserably Her ex-fiancé is taking the house her chihuahua is

Since he was a kid, Aidan O'Donnell has known two things about the world: Tristan is his best friend and Carys is the love of his life. Sharing her with Tristan was oddly easy. They both loved her deeply, and they never cared what anyone else thought. They were a team, and everything was wonderful. Until the day it ended. Carys Taggart has spent the last year and a half of her life living a lie. A lie Tristan forced on them all. She understands that it was meant to protect her and Aidan, but lately when Tristan says he doesn't love her, it feels more like the truth. The wedding she's dreamed of has been put off far longer than he promised. When he asks her and Aidan for another delay, she's ready to move on without him. Tristan Dean Miles has a good plan and the best of intentions. Go undercover as a ruthless arms dealer so he can find a deadly bombmaker at the top of the agency's wanted list. It might be taking longer than expected, but he's so close he can taste it. Unfortunately, getting this close meant getting in way too deep. He knows he will succeed, but if he can't convince the love of his life and his best friend that he's worth the wait, his victory will cost him everything.
