

The background of the slide is a photograph of an oil pumpjack (a type of oil rig) situated in a flat, grassy field. The scene is captured during sunset or sunrise, with a vibrant sky showing shades of orange, yellow, and purple. The pumpjack is a tall, metal structure with a long horizontal arm and a vertical rod, mounted on a base. The overall mood is industrial yet serene.

Congress,1969      *Personalism and Personalist Regimes* Alex Baturo, Luca Anceschi, Francesco Cavatorta,2024-05-10 Personalist leaders such as Russia s Vladimir Putin Belarus s Alexander Lukashenko or Venezuela s Nicol s Maduro are increasingly prominent players in the international landscape their motivations and policies however are poorly understood The regimes they lead are difficult to examine mostly because of their most defining feature an inordinate concentration of power in the hands of one single individual Yet personalist leaders do not rule alone even if they do not always govern through institutional channels How do personalist regimes really work How do their rulers acquire and maintain personal control How does contemporary personal rule differ from how it was practised during the Cold War These are the key questions addressed in *Personalism and Personalist Regimes* which offers a systematic examination of the logic of personalism or personalist rule tackling comprehensively the study of personalist leaders and personalist regimes The book is underpinned by a theoretical framework that combines historical and comparative analyses brought forward through a series of detailed country studies authored by a distinguished group of comparativists and area studies experts The book also revisits and builds upon *Sultanistic Regimes* the seminal study by H E Chehabi and Juan Linz In contrast to *Sultanistic Regimes* that studied sultanism an extreme form of personalism *Personalism and Personalist Regimes* examines personal rule on its full continuum from Turkey under Erdo an or Venezuela under Maduro to Turkmenistan under Berdimuhamedov or Libya under Gaddafi Because personalism or personal rule can be present across all regimes the book also includes several studies of personalism and institutions in party dictatorships China or Cuba amongst others      *Conflict of Interest* Leonard A.
