Single And Saved:

Single and Saved Embracing a Celibate Life Missionary Gloria L. (Davis) Jackson, 2015-05-18 This book's primary purpose is to present advice, solutions, encouragement, and inspiration and to address the issues folks have discussed from the Pentecostal perspective. When we have walked in an individual's shoes, we can feel their pain and identify with them. Saints who wish to remain private can read this book and be helped. In this book, you will find tips on what to look for in a mate. This book is for individuals of different statuses who feel that they do not have anyone with whom to converse or address their questions. Numerous hurting folks are sitting in the pews and praying at the altar for a spouse. I want you to know that God has not forgotten about you. This book is for the minister's wife and Christian singles, and it is written from a unique perspective of holiness. It is for those times when we encounter many different circumstances and views as we navigate through life.

Saved & Single. Now What? Rehema Stephens, 2016-06-08 Back in May 2010, God placed on my heart a burden for the Saved Single. And He began speaking to me about the condition of this specific church demographic and what He purposed me to do about it. This book is a testament to the grace of God in my own single life AND countless hours of prayer, bible study, testimonies, singles ministry experiences, and waiting on God to reveal real answers to a real question posed by many singles in the Body of Christ. I'm Saved Single Now What.

Saved, Single & Frustrated Indiana Tuggle, 2015-07-03 Are you still single? Are you confused and frustrated trying to figure out what to do while you wait? As a Christian, are you tired of looking to popular opinion magazines and worldview as to how to find or attract a spouse? Have you ever wondered what would God say? Are you secretly complaining that the church refuses to discuss the real issues singles have? Are you ready to hear the truth? In this keeping it real guide, learn how to Release the frustration, Recognize your worth, Break soul ties, Set standards in dating, Deal with the loneliness, Examine your issues, Examine why you want to be married, Prepare for marriage, God's way, Pray for your future husband, Develop a closer relationship with God. Even after five plus years of celibacy and living holy unto the Lord, I was still single, still frustrated, and still did not understand why the wait was so long. Truth is, my past encounters with love were dysfunctional, and I needed to be reprogrammed. God taught me that the wait is not as important as what you do while you wait. Complaining, jumping in and out of unhealthy relationships, and asking everyone you know to help you find a mate is not what God intended. I was going around the same mountain. I needed to not only learn how to wait but how to trust God in the wait.

Single and Saved MS Tamika Ford, 2016-02-11 Single and Frustrated. Waiting on God for a spouse. It's time to Embrace your Season of Singleness. Whether you have been waiting on God's best or starting your journey of waiting, Single and Saved Embracing your Season of Singleness will motivate you to start making Preparations for your Expectations. This is a thought-provoking book that will inspire you to ask questions like: Who am I? What is my Purpose? How do I wait, and Am I preparing to be God's best? My hope is that this book will motivate and encourage you to seek and discover God's plans and Purpose for your life.

Single and Saved: Waiting for Mr. Right Kianna Brooks, 2021-10-19. This book was written for Christian men and women to help them find their God-given spouse. This book will teach Christian Believers how to wait on God for their soul mate. I believe that many Believers find it hard to wait on God for true love. So throughout the book, the Holy Spirit teaches us how to remain faithful unto Him until they come. Some Christians may struggle with finding the One. Once you begin to read and study this book, God will begin to reveal to you who your spouse may be. After He shows you, begin to pray and ask Him to keep you until they come. Know that with God, all things are possible. He will provide everything that you may lack or need as you wait. Lastly, the vision for this book is to inspire, empower, and enlighten saved Singles across the globe as they wait for their Mr. or Mrs. Right.

Heavenly Stories Alexander Kocar, 2021-07-30. Salvation is often thought to be an all-or-nothing matter; you are either saved or damned. In the ancient world, some figures, including Paul the Apostle, John of Patmos, Hermas, the Sethians, and the Valentinians, did not think this way. However, for them, there were multiple levels of salvation. Examining the reasons and implications for why these important thinkers believed that salvation comes in degrees, *Heavenly Stories* offers a fresh perspective on ancient thinking about responsibility, especially as it intersects with concerns such as genealogy and determinism. It shows why Jews and Christians of various kinds, some eventually declared orthodox, others heretical, correlated ethics and soteriology and argued over how this should be done. By constructing a difference between a lower and higher level of salvation, ancient authors devised soteriological hierarchies that could account for ethical imperfections and social differentiation between their communities and outsiders, as well as reinforce idealized portrayals of conduct among members of their own groups. Alexander Kocar asks how these thinkers identified and described these ethical and social differences among people, what commitments motivated them to make such distinctions, what were the social effects of different salvific

categories and ethical standards and what impact did hierarchically structured soteriologies have on notions of ethical responsibility His findings have repercussions for the study of ancient ethics especially free will and responsibility our understanding of orthodoxy and heresy and scholarly debates surrounding the origins of Christianity as a movement that allegedly transcends ethnic boundaries
