Sustainable Tourism IV C. A.

Brebbia, F. D. Pineda, 2010 Tourism has become a major international industry with many countries all over the world relying on the income it produces Because it is a major source of finances and employment government and other institutions actively promote tourism regardless of the impact on the environment ecology and social structure of the region The demands of tourism can contribute to the destruction of the natural and cultural environment upon which it depends The natural and cultural landscape's capacity to accommodate the local and worldwide effects of tourism the typology thereof and its implications for the economy and society constitute very important study objectives The development of tourism can result in the degradation of natural landscapes that paradoxically attract tourists to such areas Featured topics include Tourism Strategies Tourism as a Tool of Development Tourism Impact Tourism and Protected Areas Rural Tourism Community Involvement IT and Tourism Climate Change and Tourism Environmental Issues Art Architecture and Culture Modelling Emergent Strategies for Tourism Development Landscape and Tourism Tourism and Urban Planning

Hood, 2008-03-20 In this engaging travelogue of our world's rivers great and small poet and biologist Mary A Hood reflects on rivers as creators of place Recounting her journeys along portions of the Mississippi the Danube the Amazon the Yangtze the Ganges the Nile and a dozen small U S rivers Hood weaves together natural history current environmental and conservation issues encounters with endangered plants and animals and tells some interesting tales along the way Like a river the book begins small with essays that are narrowly focused on themes of environment and place such as the need to write our world Three Rivers how fires and corporations control the West the Flathead the effect of wind farms on a small town in western New York the Conhocton the giant redwoods and how they were preserved the Klamath and the search for moose in the great north woods the Penobscot The second section expands the themes of environment and place and looks at great world rivers their long histories their biological diversity the effects of human use and tourism and the paradox of human reverence and destruction From endangered species to invasive species from corporate control of national parks to wind farms from urban sprawl to efforts at conservation and restoration RiverTime offers insights into our relationship to the environment in the twenty first century **Empires of Antiquities** Billie Melman, 2020 Empires of Antiquities is a history of the rediscovery of the imperial civilizations of the ancient Near East in a modern imperial order that evolved between the outbreak of the First World War

and the decolonization of the British Empire in the 1950s It explores the ways in which near eastern antiquity was redefined and experienced becoming the subject of imperial regulation modes of enquiry and international and national politics Billie Melman follows a series of globally publicized spectacular archaeological discoveries in Iraq Egypt and Palestine which made antiquity material visible and accessible as never before She demonstrates that the new definition and uses of antiquity and their relations to modernity were inseparable from the emergence of the post war international imperial order transnational collaboration and crises the aspirations of national groups and collisions between them and the British mandates This study uniquely combines a history of the internationalization of archaeology and the rise of a new regime of antiquities under the oversight of the League of Nations and its institutions a history of British attitudes to and passion for near eastern antiquity and on the ground colonial policies and mechanisms as well as nationalist claims on the past It points at the centrality of the new mandate system Drawing on an unusually wide range of materials collected in archives in six countries as well as on material and visual evidence this volume weaves together imperial international and national histories and the history of archaeological discovery which it connects to imperial modernity

Secret Chamber Revisited Robert Bauval, 2014-10-09 A firsthand behind the scene account of the controversies surrounding modern explorations at Giza Investigates the recent scandals at Giza and claims of secret excavations and tunneling inside the Great Pyramid Reveals the historical evidence in support of secret chambers in the Great Pyramid and beneath the Great Sphinx Exposes the secret agendas behind the latest explorations on the Giza plateau Since 1993 Robert Bauval has been embroiled in the many controversies involving the search for the lost treasures of the pyramid builders and the quest for the legendary Hall of Records of Atlantis The strange but true story that he unfolds implicates American business moguls the prestigious National Geographic Society several Ivy League universities the Edgar Cayce Foundation the Freemasons Christian fundamentalists Zionists and the Egyptian government In this fully updated edition of Secret Chamber including new color photographs Robert Bauval pursues his in depth investigation of clandestine events at Giza and the role played by the controversial ex Minister of Antiquities Dr Zahi Hawass What lies behind the mysterious doors at the end of the star shafts in the Great Pyramid What do the mysterious inscriptions found behind the Gantenbrink door mean What is the real purpose of the Relief Chambers and the red ochre graffiti in them Who is behind the secretly tunneling and excavating in these chambers and why Is there really a hidden Hall of Records from Atlantis beneath the Great Sphinx Is the Great Pyramid just a tomb or does it serve a higher purpose involving a lost science of immortality Why do the ancient texts ascribe the Pyramid's design to the supreme god of wisdom Thoth the writer of the fabled Books of Hermes Will the Great Pyramid prove to be the missing link to our true origins or a metaphysical machine to access the world beyond Providing a firsthand account of the strange events that have taken place at the Giza plateau in the last three decades Bauval reveals the hidden agendas behind these events and raises important questions about the meaning of Egypt's ancient structures and the very origins of civilization
