Passion's Folly Elizabeth Spaur, 2025-05-17 Brewmaster Annie Mooney is weeks away from realizing her dreams when the bottom drops out of her world Her father's heart attack sends her spinning While she's trying to come to grips with almost losing the most important man in her life a new man shows up and threatens to call the cops on her It took pediatrician and neonatologist Ian Shelton decades to overcome a childhood fueled by his parents alcoholism and abuse He thought his demons were under control Until he found a woman crying in the hospital smelling like a brewery and threatens to have her arrested for drunk driving Annie and Ian don't exactly get off to a great start But the doctor and the brewmaster can't deny there is something between them Will their differences keep them apart or will their chemistry bind them forever
